Occult America:

Occult America Mitch Horowitz, 2010-10-05 From its earliest days America served as an arena for the revolutions in alternative spirituality that eventually swept the globe Esoteric philosophies and personas from Freemasonry to Spiritualism from Madame H P Blavatsky to Edgar Cayce dramatically altered the nation s culture politics and religion Yet the mystical roots of our identity are often ignored or overlooked Opening a new window on the past Occult America presents a dramatic pioneering study of the esoteric undercurrents of our history and their profound impact across modern life **Women's Leadership in Marginal Religions** Catherine Wessinger, 1993 Women s leadership in Spiritualism and Christian Science Ann Braude The feminism of Universal Brotherhood women in the Theosophical Movement Robert Ellwood and Catherine Wessinger Emma Curtis Hopkins a feminist of the 1880 s and mother of new thought J Gordon Melton Myrtle Fillmore and her daughters an observation and analysis of the role of women in Unity Dell deChant Woman guru woman roshi the legitimation of female religious leadership in Hindu and Buddhist groups in America Catherine Wessinger Part 3 Contemporary women as creators of religion Ritual validations of clergywomen s authority in the African American Spiritual churches of New Orleans David C Estes Twentieth century women s religion as seen in the feminist spirit *Modern Occultism* Mitch Horowitz, 2023-09-19 From Cleopatra to Chaos Magic A Vibrant Epic History of Occultism in Thought and Practice In his most sweeping historical work occult scholar and widely known voice of esoteric ideas Mitch Horowitz presents a lively intellectually serious historical exploration of modern occultism from astrology and alchemy to the dawn of Theosophy and modern witchcraft and the spiritual revolutions that followed In this lively full circle history Mitch explores Preservation of hidden wisdom in late ancient Hermeticism Rebirth of esoterica during the Renaissance including Kabbalah ceremonial magick alchemy Gnosticism and the backlash culminating in the Thirty Years War Rise of the modern secret society such as Rosicrucians Freemasons and Illuminati Migration of religious radicalism to the New World including how enslaved people devised the magickal system of hoodoo Wave of occultism ignited by John Dee the Romantics Franz Anton Mesmer Eliphas L vi and P B Randolph The revolution brought by occult explorer Madame H P Blavatsky Growth of New Thought and mind metaphysics How fin de si cle scientists devised clinical protocols to study the supernatural Occult influences in politics a delicate topic weighed maturely Heterodox movements and figures such as The Process Church TOPY Michael Aquino and Anton LaVey Pioneering voices including Manly P Hall Aleister Crowley Rudolf Steiner Edgar Cayce Carl Jung Gerald Gardner Jack Parsons Annie Besant G I Gurdjieff Alice Bailey Austin Osman Spare and Carlos Castaneda Surprising occult influences on wide ranging modern icons such as Frederick Douglass Sigmund Freud and Isaac Newton How models of interdimensionality are loosening the hold of materialism on modern thought [Making the American Religious Fringe](#) Sean McCloud, 2004 In an examination of religion coverage in Time Newsweek Life The Saturday Evening Post Ebony Christianity Today National Review and other news and special interest magazines Sean McCloud combines re

Pranksters Kembrew McLeod, 2014-04-01 From Benjamin Franklin's newspaper hoax that faked the death of his rival to Abbie Hoffman's attempt to levitate the Pentagon, pranksters, hoaxers, and con artists have caused confusion, disorder, and laughter in Western society for centuries. Profiling the most notorious mischief makers from the 1600s to the present day, *Pranksters* explores how pranks are part of a long tradition of speaking truth to power and social critique. Invoking such historical and contemporary figures as P. T. Barnum, Jonathan Swift, WITCH, The Yes Men, and Stephen Colbert, Kembrew McLeod shows how staged spectacles that balance the serious and the humorous can spark important public conversations. In some instances, tricksters have incited social change and unfortunate prank blowback by manipulating various forms of media, from newspapers to YouTube. For example, in the 1960s, self-proclaimed professional hoaxer Alan Abel lampooned America's hypocritical sexual mores by using conservative rhetoric to fool the news media into covering a satirical organization that advocated clothing naked animals. In the 1990s, Sub Pop Records then receptionist Megan Jasper satirized the commodification of alternative music culture by pranking the *New York Times* into reporting on her fake lexicon of grunge speak. Throughout this book, McLeod shows how pranks interrupt the daily flow of approved information and news, using humor to underscore larger, pointed truths. Written in an accessible, story-driven style, *Pranksters* reveals how mischief makers have left their shocking, entertaining, and educational mark on modern political and social life. **Occult America**

Mitch Horowitz, 2009 [The Law and the Promise](#) Neville Goddard, Mitch Horowitz, 2021-12-14 IMAGINING CREATES REALITY. When man solves the mystery of imagining, he will have discovered the secret of causation, and that is: Imagining creates reality. Therefore, the man who is aware of what he is imagining, knows what he is creating, realizes more and more that the drama of life is imaginal, not physical. This book is Neville's last book and is the summation and capstone of his career. As he states, "The purpose of this book is to show, through actual, true stories, how imagining creates reality." Neville includes many success stories from his students and concludes with his description of four of his mystical experiences. NEVILLE GODDARD (1905-1972) was one of the most remarkable mystical thinkers of the past century. In more than ten books and thousands of lectures, Neville expanded on one core principle: the human imagination is God. He was a compelling presence at metaphysical churches, spiritual centers, and auditoriums. Neville was not widely known during his lifetime, but today his books and lectures have attained new popularity. His principles have influenced several major spiritual writers, including Carlos Castaneda and Joseph Murphy. In this beautifully designed deluxe edition, you benefit not only from Neville's radical statement but also from a comprehensive and enthralling analysis and biography of Neville. *Chariot of Fire* by spiritual thinker Mitch Horowitz, who is considered the most powerful interpreter of Neville's ideas today, Mitch's comprehensive essay is a spiritual and historical journey in itself. This edition is rounded out with Mitch's timeline of Neville's life. Here is a resource book that you will turn to again and again. *New World Witchery* Cory Thomas Hutcheson, 2021-04-08 Explore nearly 500 samples of folk magic stories, artifacts, rituals, and beliefs in this encyclopedic compendium. One of the most

comprehensive collections of witchcraft and folk magic ever written New World Witchery shows you how to integrate folk traditions into your life and deepen your understanding of magic Folklore expert Cory Thomas Hutcheson guides you to the crossroads of folk magic where you'll learn about different practices and try them for yourself This treasure trove of witchery features an enormous collection of stories artifacts rituals and traditions Explore chapters on magical heritage divination familiars magical protection and spirit communication Discover the secrets of flying gathering and creating magical supplies living by the moon working contemporary folk magic and more This book also provides brief profiles of significant folk magicians healers and seers so you can both meet the practitioners and experience their craft With New World Witchery you'll create a unique roadmap to the folk magic all around you A whimsical and extensively researched journey into the lore and folk practices of the New World Josh Bones McWilliams from the Cursed and Hex Files podcasts No better word than trove would describe such a manuscript as this as it's truly filled with valuable information on the magical heritage of North America Jake Richards author of Backwoods Witchcraft A wonderful combination of culture history and ethnography culminates in a valuable guide to the world of healers spirits and magical approaches to living Tony Kail anthropologist and author of A Secret History of Memphis Hoodoo A perfect blend of history folklore practice and path crafting that any magical practitioner can benefit from Laura Tempest Zakroff author of Weave the Liminal *Occult America* John Godwin, 1972-01-01 Focuses on leading personalities who have captivated the American public with their claims of possessing psychic powers **The Occult in the Western World** Cosette N. Kies, 1986 **Encyclopedia of Occultism & Parapsychology** Leslie Shepard, 1991 A compendium of information on the occult sciences magic demonology superstitions spiritism mysticism metaphysics psychical science and parapsychology with biographical and bibliographical notes and comprehensive indexes The Publishers Weekly, 1920 American Angels Peter Gardella, 2007 Explores the rich history of angels in America from Spanish colonialism and Puritan culture to modern incarnations found on TV in movies in comic books and on bumper stickers Finds that Americans have constructed the useful angel as a servant of man rather than an agent of God *Handbook of American Popular Culture* M. Thomas Inge, 1978 Library has Volumes 1 and 2 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
