Occult Significance of Forgiveness Sergei O. Prokof'ieff, 2004-11-04 A survey of recent history reveals the gloomy picture of an ongoing series of conflicts wars and general turmoil Consequently the human emotional landscape is littered today with angry bitter and vengeful thoughts emotions and actions Even our modern justice systems are preoccupied only with finding and proving guilt and dealing out retribution doing little to remedy the tragic situation Nevertheless many individuals and groups have always sought ways to break this vicious cycle of recrimination When faced with the question of what we can do to change the world for the better one of the most radical and challenging answers is to begin forgiving others for what they have done In this powerful and moving book Prokofieff shows how the forces that lead to forgiveness can be developed consciously and freely Without preaching the morality of forgiveness he presents spiritual facts that speak for themselves From Tsarist Russia and the concentration camps of Nazi Germany to the infighting during the early years of the Anthroposophical Society the author offers striking examples of those who have been able to forgive frequently terrible crimes He provides multilayered analyses and shows the beneficial consequences of each act of forgiveness As he develops his theme the importance of forgiving not simply for personal salvation but for the advancement of human evolution is revealed in all its healing truth Now available in paperback The Occult Significance of Forgiveness has been read and loved by thousands of readers for years It is perhaps the most valuable accessible and succinct of Prokofieff's works on inner development
