Booth,2021-07-15 When Anika Molnar flees her home country of Hungary not long before the break up ofthe Soviet Union she carries only a small suitcase and a beautiful and much loved painting of an auburn haired woman in a cobalt blue dress from her family s hiddencollection Arriving in Australia Anika moves in with her aunt in Sydney and the painting hangs inpride of place in her bedroom But one day it is stolen in what seems to be a carefullyplanned theft and Anika s carefree life takes a more ominous turn Sinister secrets from her family s past and Hungary s fraught history cast suspicion overthe painting s provenance and she embarks on a gripping quest to uncover the truth Hungary s war torn past contrasts sharply with Australia s bright new world of opportunity in this moving and compelling mystery

This book presents the poetry and letters of the American writer Adelaide Crapsey 1878 1914 Her best poetry deserves to be enjoyed by a larger audience and her letters and newly discovered biographical materials reveal new charm and meaning in an intriguingly elusive character Crapsey did not live to see any of her mature poetry published she received notice that her first poem had been accepted for publication only a week before she died Posthumous editions of her Verse in 1915 1922 and 1934 however brought her recognition and respect Carl Sandburg paid her a poetic tribute American critic Yvor Winters praised her as a minor poet of great distinction and felt that her poems remained in their way honest and acutely perceptive Her best work is compressed terse related in this respect to

the work of another American poet who won posthumous recognition Emily Dickinson Crapsey is best known as the inventor of the cinquain a poem of five short lines of unequal length one stress two stress three stress four stress and one stress The cinquain is one of the few modern verse forms developed in English and its brevity and characteristic thought pattern seem to have been influenced by Japanese forms Crapsey s indebtedness to Japanese poetry and her relation to Imagism have long been subjects for debate As Winters notes the work of Crapsey achieves more effectively than did almost any of the Imagists the aims of Imagism The critical introduction by Professor Susan Sutton Smith examines these problems Much of Crapsey s poetry is reticent withdrawn and private and she believed strongly in the individual s right to privacy Whatever new biographical materials reveal of her and of her relations with family and friends however shows a charming and courageous woman Her courage and humor show especially well in her correspondence with her friend Esther Lowenthal and in the letters with her friend Jean Webster McKinney author of Daddy Long Legs who died soon after Crapsey
