Romain Rolland

October Light:

October Light John Gardner, 2010-09-21 New York Times Bestseller and National Book Critics Circle Award Winner A dazzling novel about the tumultuous relationship of two elderly siblings Los Angeles Times James is a cantankerous and conservative seventy two year old who has spent his life caring for the animals on his farm His widowed older sister Sally has strong liberal ideals and a propensity for debate When Sally s bankruptcy forces her to move in with her brother their lifelong feud quickly escalates and Sally becomes a prisoner in her own room with nothing to survive on but apples and a trashy novel about marijuana smugglers As Sally becomes immersed in the book the story envelops the narrative of the siblings dysfunctional relationship and Gardner explores a wide array of themes from human autonomy to self definition to political extremism The result is a tour de force of Gardner s unique literary style at the height of his protean creative powers This ebook features a new illustrated biography of John Gardner including original letters rare photos and never before seen documents from the Gardner family and the University of Rochester Archives
