

Making Majorities

J Dewey

Making Majorities:

Making Majorities Dru C. Gladney, 1998 Majorities are made not born This book argues that there are no pure majorities in the Asia Pacific region broadly defined nor in the West and challenges the thesis that civilizations are composed of more or less homogeneous cultures The 14 contributors argue that emphasis on minority majority rights is based on uncritically accepted views of purity numerical superiority and social consensus *Mexico-United States Interparliamentary Conference*, 1999

Supermajorities in Constitutional Courts Mauro Arturo Rivera León, 2024-04-05 Constitutional adjudication is a subject of fascination for scholars Judges may annul the will of a democratically elected Parliament in counter majoritarian fashion Although conceived as a remedy against majoritarianism judges also decide cases by voting Whether they do so through simple majorities or supermajorities is not trivial The debate around supermajorities has awakened anew amidst theories of judicial limitation and new conceptions of judicial review This book advances our knowledge of systems employing supermajorities in constitutional adjudication by performing a comparative analysis of ten jurisdictions and twelve supermajority models It introduces a typology of the main models of institutional design the reasons leading policymakers to establish them and the impact supermajorities have on courts It explores the question of whether supermajorities grant deference and foster consensus or if they disable constitutional courts from exercising judicial review By analyzing the history practice and effects of supermajority rules in courts this book contributes to an ongoing conversation on the democratic implications of voting protocols in constitutional courts It will be a valuable resource for policy makers scholars and researchers working in the areas of comparative constitutional law and constitutional politics The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution CC BY 4.0 license

Thirty-eighth Mexico-United States Interparliamentary Conference, Savannah, Georgia, June 25-27, 1999 United States. Delegation to the Mexico-United States Interparliamentary Conference, 1999 *Legislative Politics in Latin America* Scott Morgenstern, Benito Nacif, 2002-03-04 This theoretically inspired study explores legislative politics in Argentina Brazil Chile and Mexico Instead of beginning with an assumption that these legislatures are either rubber stamps or obstructionist bodies the chapters provide new data and a fresh analytical approach to describe and explain the role of these representative bodies in these consolidating democracies For each country the book provides three chapters dedicated in turn to executive legislative relations the legislatures organizational structure and the policy process

The Cultural Defense of Nations Liav Orgad, 2015-11-05 The Cultural Defense of Nations presents a timely thought provoking thesis on some of the most pressing issues of our time global immigration majority groups and national identity Never in human history has so much attention been paid to human movement Global migration yields demographic shifts of historical significance profoundly shaking up world politics as has been seen in the refugee crisis the Brexit referendum and the 2016 U S election The Cultural Defense of Nations addresses one of the greatest challenges facing liberalism today is a liberal state justified in restricting

immigration and access to citizenship in order to protect its majority culture Liberal theorists and human rights advocates recognize the rights of minorities to maintain their unique cultural identity but assume that majorities have neither a need for similar rights nor a moral ground for defending them The majority culture so the argument goes can take care of itself However with more than 250 million immigrants worldwide majority groups increasingly seek to protect what they consider to be their national identity In recent years liberal democracies have introduced proactive immigration and citizenship policies that are designed to defend the majority culture This book shifts the focus from the prevailing discussion of cultural minority rights and for the first time addresses the cultural rights of majorities It proposes a new approach by which liberal democracies can welcome immigrants without fundamentally changing their cultural heritage forsaking their liberal traditions or slipping into extreme nationalism Disregarding the topic of cultural majority rights is not only theoretically wrong but also politically unwise With forms of majority nationalism rising and the growing popularity of extreme right wing parties in the West time has come to liberally address the new challenge *Rethinking the Union of Europe Post-Crisis* Giandomenico Majone,2014-04-24 In this important new book Giandomenico Majone examines the crucial but often overlooked distinction between the general aim of European integration and the specific method of integration employed in designing an ill considered monetary union Written with the author s customary insight and precision this highly topical and provocative book reviews the Union s leaders tradition of pushing through ambitious projects without considering the serious hurdles that lie in the way of their success Regional and European integration topics are discussed including credibility of commitments delegation of powers bargaining and influence activities adverse selection and moral hazard The author also offers a deeper examination of the specific crisis of monetary integration arguing that it might be more effectively achieved with inter jurisdictional competition and suggesting how integration should be managed in the globalized world [The Political Theory of Conservative Economists](#) Conrad Waligorski,1990 A study of the political theory that underlies the conservative economic thought of such economists as Milton Friedman James Buchanan and Friedrich Hayek and its implications for public policy The author analyzes the political content of ideas that justify a laissez faire policy *Melayu* Maznah Mohamad,2013-07-01 People within the Malay world hold strong but diverse opinions about the meaning of the word Melayu which can be loosely translated as Malayness Questions of whether the Filipinos are properly called e Malaye or the Mon Khmer speaking Orang Asli in Malaysia can generate heated debates So too can the question of whether it is appropriate to speak of a kebangsaan Melayu Malay as nationality as the basis of membership within an aspiring postcolonial nation state a political rather than a cultural community embracing all residents of the Malay states including the immigrant Chinese and Indian population In *Melayu The Politics Poetics and Paradoxes of Malayness* the contributors examine the checkered wavering and changeable understanding of the word Melayu by considering hitherto unexplored case studies dealing with use of the term in connection with origins nations minority majority politics Filipino Malays Riau Malays Orang

Asli Straits Chinese literature women s veiling vernacular television social dissent literary women and modern Sufism Taken as a whole this volume offers a creative approach to the study of Malayness while providing new perspectives to the studies of identity formation and politics of ethnicity that have wider implications beyond the Southeast Asian region

Congressional Record United States. Congress,1979 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *The Two Majorities and the Puzzle of Modern American Politics* Byron E. Shafer,2003 Where did the Era of Divided Government come from What sustains split partisan control of the institutions of American national government year after year Why can it shift so easily from Democratic or Republican presidencies coupled with Republican or Democratic Congresses How can the vast array of issues and personalities that have surfaced in American politics over the last forty years fit so neatly within indeed reinforce the sustaining political pattern of our time These big questions constitute the puzzle of modern American politics The old answer a majority and a minority party plus dominant and recessive public issues will not work in the Era of Divided Government Byron Shafer a political scientist who is regarded as one of the most comprehensive and original thinkers on American politics provides a convincing new answer that has three major elements These elements in combination not divided government as a catch phrase are the real story of politics in our time The first element is comprised of two great sets of public preferences that manifest themselves at the ballot box as two majorities The old cluster of economic and welfare issues has not so much been displaced as simply joined by a second cluster of cultural and national concerns The second element can be seen in the behavior of political parties and party activists whose own preferences don t match those of the general public That public remains reliably left of the active Republican Party on economic and welfare issues and reliably right of the active Democratic Party on cultural and national concerns The third crucial element is found in an institutional arrangement the distinctively American matrix of governmental institutions which converts those first two elements into a framework for policymaking year in and year out In the first half of the book Shafer examines how dominant features of the Reagan first Bush Clinton and second Bush administrations reflect the interplay of these three elements Recent policy conflicts and institutional combatants in Shafer s analysis illuminate this new pattern of American politics In the second half he ranges across time and nations to put these modern elements and their composite pattern into a much larger historical and institutional framework In this light modern American politics appears not so much as new and different but as a distinctive recombination of familiar elements of a political style a political process and a political conflict that has been running for a much much longer time **reports of committees of the house of representatives** ,1876 House documents ,1876 **Readings in American Political Behavior** ,1970 Cyclopedia of American Government Andrew

Cunningham McLaughlin, Albert Bushnell Hart, 1914 *Proceedings of the American Political Science Association* American Political Science Association. Annual Meeting, 1912 Contains addresses papers and reports of business conducted at meetings of the Association *Essays* Hugh Miller, 1882 **Sunday Discourses Before the Reform Congregation Keneseth Israel** Joseph Krauskopf, 1895 **Essays, Historical and Biographical, Political, Social, Literary, and Scientific** Hugh Miller, 1875 **Proceedings** , 1912

While this might not be the Making Majorities full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

access to a wide range of Making Majorities eBooks, including some popular titles.

FAQs About Making Majorities Books

What is a Making Majorities PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Making Majorities PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Making Majorities PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Making Majorities PDF to another file format? There are multiple ways to convert a PDF to another format:

Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Making Majorities PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
