Making Of The West Vc 2nd:

Victoria Cross Heroes: Volume II Michael Ashcroft, 2016-11-08 Foreword by Lance Sergeant Johnson Beharry VC THE VICTORIA CROSS is Britain and the Commonwealth's most prestigious gallantry medal for courage in the face of the enemy. It has been bestowed upon 1 355 heroic individuals from all walks of life since its creation during the Crimean War. Lord Ashcroft, who has been fascinated with bravery since he was a young boy, now owns 200 VCs by far the largest collection of its kind in the world. Following on from the bestselling *Victoria Cross Heroes* first published in 2006 to mark the 150th anniversary of the award, *Victoria Cross Heroes Volume II* gives extraordinary accounts of the bravery behind the newest additions to Lord Ashcroft's VC collection: those decorations purchased in the last decade. With nearly sixty action-packed stories of courageous soldiers, sailors, and airmen from a range of global conflicts including the Indian Mutiny of 1857-58, the Second Anglo-Boer War of 1899-1902, and the First and Second World Wars, this book is a powerful testament to the strength of the human spirit and a worthy tribute to the servicemen who earned the Victoria Cross. Their inspirational deeds of valour and self-sacrifice should be championed and never forgotten.

VCs of the First World War: Western Front 1915 Peter F. Batchelor, Christopher Matson, 2012-05-30 The predictions of the war being over by Christmas turned out to be far from the truth. By January 1915 the British Expeditionary Force found themselves trapped in the murderous stalemate of trench warfare. British troops had suffered badly in the early campaigns and by January 1915 were holding some 30 miles of trench. The year 1915 was to witness some of the bloodiest and bitter battles of the Great War including the first blood at Neuve Chapelle, the Second Battle of Ypres, and the appalling failure of Loos. By the end of the summer almost 50 000 men of Kitchener's Army had been killed. This book tells the story of the 67 VC winners from this period on the Western Front. Each of their stories are different and 20 medals were awarded posthumously. However, they all have one thing in common: acts of extraordinary bravery under fire.

California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., Victoria Crosses on the Western Front, April 1915-June 1916 Paul Oldfield, 2015-08-31 During visits to the First World War battlefields, the author often wondered where various Victoria Cross actions took place; he resolved to find out. Research commenced in 1988 and numerous sources have been consulted in the meantime. The book is designed for the battlefield visitor as much as the armchair reader. A detailed account of each VC action is set within the wider strategic and tactical context. Detailed sketch maps show the area today together with the battle lines and movements of the combatants. It allows visitors to stand upon the spot or very close where the VC actions took place and understand what happened and where. Photographs of the battle sites illustrate the accounts. There is also a comprehensive biography for each recipient covering every aspect of their lives: warts and all; parents and siblings; education; civilian employment; military career; wife and children; death and burial; commemoration. There is also a host of other information, much of it published for the first time. Some fascinating characters emerge with numerous links to many famous people and events.
