Simpson Trial Ronald Williams,2013-09-30 Overview coming soon [The Spectacle](#) Paul Thaler,1997-10-28 In the Year of Simpson the country was caught in the throes of the biggest story ever No other single news event in our history could match the sheer scope and intensity of coverage given to the O J Simpson murder case But the media did not just report the Simpson case they were instrumental in creating it a spectacle of such stupendous proportions that it hijacked American culture In this critical exposé of American media Thaler presents a riveting narrative about the men and women who gave us the story of the century It is a sprawling tale of the media grappling with their role as news reporting entities seduced by the values of entertainment and tabloidism and faced with increased competition fragmented audiences and frantic pressure to keep both eyes on the bottom line The Simpson story is one of exploitation of media overkill and outright pandering of huge profitmaking all of which undermined the trial and fueled tremendous public cynicism about the way in which justice and the media work in this country For more than a year America was held captive to the great murder story In Thaler's analysis the media more than any other single participant altered the workings of the Simpson courtroom and the outcome of one of the most celebrated trials in America's history From the first coverage of the murders to the final days of the trial of the century the media were not only telling us what had become of justice in this country but also what had become of them This is that story *Outrage* Vincent Bugliosi,1996 A best selling account by the author of *Helter Skelter* outlines the main reasons O J Simpson was acquitted of murder from the jury's makeup to the incompetence of the prosecutors Reprint *The O.J.
