*Wellman's Literary Miscellany* ,1871      **The Great Work: Obtaining Inner Power and Virtue** Clayton Tylor,2021-10-22 Everyone wants to feel loved but most of us seek it from others This book takes us on an inner journey to obtain love in a different way a different kind of love It is Divine love which is power and virtue the power to rule over our thoughts and emotions and the virtue that enables us to receive this love as the life and light of understanding This is happiness and delight from doing what is good Obtaining the will for good and the understanding of truth is essential to be free of the pull of the mass mind that brings pain and suffering to mankind The will for good is the feeling of delight and the understanding of truth is the light of faith which is awareness and enlightenment The conjunction of love and faith in the body is warmth and light and both are perceptible substances to a transformed mind If you are reading this then you are ready for change If you are suffering you are ready for healing These two substances the warmth of love and the light of truth are pleasurable sensations that change and heal the body And because they are spiritual they allow you to enter the affections of others which brings understanding Take this journey to a new intellectual light derived from charity called the Great Work      *On the Lord's Day* James Alexander Lord,1904      **Wilson's Tales of the Borders, Etc** John Mackay
