The Bookman ,1904 Tales of Bluebeard and His Wives from Late Antiquity to Postmodern Times Shuli Barzilai,2013-01-11 This project provides an in depth study of narratives about Bluebeard and his wives or narratives with identifiable Bluebeard motifs and the intertextual and extratextual personal political literary and sociocultural factors that have made the tale a particularly fertile ground for an author s adaptation of the story Whereas Charles Dickens for example expresses a sympathetic identification with Bluebeard and a discernable strain of misogyny emerges in his recreation of the tale and recurrent allusions to it his contemporary William Makepeace Thackeray uses the tale as a springboard for his critique of avarice hypocrisy pretension and the subjugation of women in Victorian society

*Up and In* Deborah Disney,2014-12-01 A laugh out loud debut that will delight fans of Liane Moriarty and Fiona Higgins this is *The Devil Wears Prada* at the school gates Distinctly middle class parents Maria and Joe have committed every bit of available income to giving their daughters Kate and Sarah the best education possible which to them means attending the most exclusive girls school in the state But when Kate befriends the spoilt and moody Mirabella Maria must learn to play nicely with Mirabella s mother Bea the beguiling yet beastly queen of the toffee nosed school mothers at Riverton A series of social blunders and intentional snubs make Maria determined to ensure Kate s rightful position both at school and on the Saturday morning netball team but as Maria works hard to negotiate the social hierarchy her previously contented life with Joe falls far from view With her mastery of dialogue and character Australian author Deborah Disney skillfully balances keen and witty observations about daily life with the more serious issues of schoolyard bullying and social isolation You will laugh you will nod along and you will want to take the increasingly neurotic Maria aside and point out that in all her desperate gaffe filled attempts to fit in with the well heeled champagne swilling mummies of Riverton she might just be risking all that she holds dear My stand out fiction read for 2015 Rebecca Sparrow author Mamamia columnist and host of So What Are You Reading This story showcases a world where motherhood is a competitive sport highly recommended Chicklit Club High Raters While the book is satirical and clearly a mummy mafia on speed version of events it
