Nobody's Perfect Cynthia L. Cameron, Lakisha R. Lockhart-Rusch, Emily A. Peck, 2025-02-25 Adolescents like everyone else make mistakes. However, religious educators Cynthia L. Cameron, Lakisha R. Lockhart-Rusch, and Emily A. Peck argue that some youths are born with the privilege of making mistakes in ways that others often are not. They also argue that many Christian education practices that guide our understandings of mistake-making are shaped by gender and gender identity, sexual orientation, and race in ways that disenfranchise some adolescents. In response, Cameron, Lockhart-Rusch, and Peck curate a much-needed conversation that helps religious educators accompany adolescents and better understand mistakes based on a theological framework that names adolescents as fundamentally good. The result is an edited volume that explores ways educators can walk with adolescents so that youth can learn from their mistakes and grow without misunderstanding all mistakes as sin. Together, these essays seed a theology of adolescent goodness that is rooted in a liberative Christian theological anthropology. Drawing on both qualitative and quantitative research, *Nobody's Perfect* offers nuanced and robust definitions of what a mistake is apart from definitions of sin. The book also explores the challenges of talking about mistake-making and sin with adolescents within religious institutional contexts that shape policy, pastoral practice, and ministry orientations. Finally, the book presents youths' own voices about how they understand and process what mistake-making looks like in the contexts in which they live and learn. *Nobody's Perfect* is for Christian educators who serve either in the academy or in congregational settings. The book will serve educators who recognize the various cultural and developmental challenges adolescents face when their church communities. The book also offers tools to help such church leaders attend to religious education spaces with a renewed theology that can root a more liberative experience of religious education.

The Rage of Innocence Kristin Henning, 2021-09-28 A brilliant analysis of the foundations of racist policing in America: the day-to-day brutalities largely hidden from public view endured by Black youth growing up under constant police surveillance and the persistent threat of physical and psychological abuse. Storytelling that can make people understand the racial inequities of the legal system and restore the humanity this system has cruelly stripped from its victims. *New York Times Book Review*. Drawing upon twenty-five years of experience representing Black youth in Washington, D.C.'s juvenile courts, Kristin Henning confronts America's irrational, manufactured fears of these young people and makes a powerfully compelling case that the crisis in racist American policing begins with its relationship to Black children. Henning explains how discriminatory and aggressive policing has socialized a generation of Black teenagers to fear, resent, and resist the police, and she details the long-term consequences of racism that they experience at the hands of the police and their vigilante surrogates. She makes clear that unlike White youth who are afforded the freedom to test boundaries, experiment with sex

and drugs and figure out who they are and who they want to be Black youth are seen as a threat to White America and are denied healthy adolescent development She examines the criminalization of Black adolescent play and sexuality and of Black fashion hair and music She limns the effects of police presence in schools and the depth of police induced trauma in Black adolescents Especially in the wake of the recent unprecedented worldwide outrage at racial injustice and inequality *The Rage of Innocence* is an essential book for our moment
