Perdón familiar Jessica Matthews,2016-06-09 Por muy guapo y encantador que fuera Marta Wyman no iba a permitir que Evan Gallagher la obligara a ver a su abuelo Marta no conseguía entender que impulsaba a aquel hombre a convencerla de que tuviera buena relación con un pariente al que ni siquiera conocía pero estaba empeñada en seguir adelante con su vida como lo había hecho hasta que apareció Evan Gallagher iba a tener que esperar pacientemente hasta que ella cambiara de opinión o se dejara llevar por sus verdaderos sentimientos

Mientras llega el perdón Beverly Barton,2018-05-16 Joe Ornelas era el apasionado policía que le había robado el corazón a Andi Stephens Pero cuando su amor iba a consolidarse Joe entregó a su compañero de patrulla que era el padre de Andi Al cabo del tiempo Joe volvió y Andi Stephens se encontró indefensa ante la pasión que ardía en su orgulloso corazón Ella era la única mujer a quien había amado La única persona que le había importado cuando tuvo que cumplir con su deber y deshacer la tierna relación que vivían Y ahora que Andi lo necesitaba su protector estaba dispuesto a hacer cualquier cosa que fuera necesaria Y esta vez Joe no se irá sin su honor ni sin su mujer

Mujeres forzadas Victoria Rodríguez Ortiz,2003 Con este libro se pretende avanzar en el conocimiento histórico jurídico del delito de violación en la Castilla de la Edad Moderna La violencia sexual que se ejercía en aquella época afectó esencialmente a los miembros más débiles de la sociedad entre los que destacaban las mujeres sobre todo aquellas que no tenían la protección de los padres o de un tutor como huérfanas mendigas o trabajadoras que realizasen algún tipo de labor aislada Estas mujeres solas y desamparadas eran presas fáciles para individuos educados en una sociedad que asumía este tipo de violencia como algo inevitable El estatus social del violador y de la víctima influye enormemente en la consideración del delito Socialmente se aceptaban las violencias sexuales que los poderosos cometían sobre los dominados de manera que en estos supuestos generalmente las denuncias no solían realizarse Por otro lado no era lo mismo violar mujeres de buena fama como vírgenes casadas religiosas o viudas que vivían honestamente en sus casas bajo la protección de un varón que forzar a las que no tenían esa consideración Mientras que

en el primer caso se castigaba con la máxima dureza y las penas estaban determinadas en la ley en el segundo quedaban al arbitrio del juzgador que atendía a diversas circunstancias personales de tiempo y de lugar en que se cometió el delito Sin duda la sensibilidad ante la violencia sexual ha cambiado enormemente en nuestros días La violación considerada hoy como un delito contra la libertad sexual en el que se atenta psicológica y físicamente contra una persona nada tiene que ver con la fuerza de las mujeres en los siglos modernos que se apreciaba como un ultraje al honor y la honra de los parientes especialmente varones de la mujer corrompida Los textos legales de la época se preocupaban más de castigar el perjuicio causado a los propietarios de las víctimas que los daños que ésta pudiera sufrir Esta situación comenzó a modificarse a finales del siglo XVIII Los jueces y la doctrina con la influencia de la Ilustración trataron de humanizar el Derecho penal considerando que la pena más que cruel debía ser infalible Pero sin duda ser en la etapa constitucional cuando la evolución del Derecho penal se consolidó Por lo que se refiere al delito de violación en este periodo aumentó el interés por proteger a la víctima como persona individualizada al margen del grupo familiar valorándose los daños físicos y psicológicos que había sufrido como consecuencia del delito
