Those Who Made It John C. Tibbetts, 2015-09-15 What was it like to work behind the scenes away from the spotlight's glare in Hollywood's so-called Golden Age The interviews in this book provide eye witness accounts from the likes of Steven Spielberg and Terry Gilliam to explore the creative decisions that have shaped some of Classical Hollywood's most loved films

The Funniest People in Books and Music David Bruce, 2005-11-01 The Funniest People Who Write Books and Make Music contains such anecdotes as these When Peg Bracken started writing she would often type the first page of a famous short story for inspiration Often she discovered that the page did not look as impressive typed on a sheet of paper as it did printed on a page in a book so sometimes she would imitate her English professor and write on the sheet of paper You can do better than this Mr Faulkner Andri Previn played jazz with a couple of American African musicians Afterwards he went into a diner where two white men asked him Why the hell don't you play with your own kind Mr Previn replied To tell you the truth I wanted to but I couldn't find two other Jews who swing Soccer and Cup Final day are important in England Once the noted conductor Sir Thomas Beecham held a rehearsal on Cup Final day The rehearsal had been going on for only a short time when a giant television was delivered to the rehearsal area Sir Thomas then said Now gentlemen let's get down to the most important business of the day watching the match
