is embraced and enhanced at others it feels attenuated If like me Clapps Herman writes you are from one of Italy s overseas colonies at least some of this Italianit will be in your skin bones and heart other pieces have to be understood considered called to ourselves through study travel reading Some of it is just longing How do we know which pieces are which In When I Am Italian Joanna Clapps Herman asks Can a person born outside of Italy be Italian Scholars have long been interested in how ethnic identity is constructed within specific historical contexts In this collection of evocative essays Clapps Herman illuminates the complex process of ethnic identity formation as she takes the reader on her life s journey starting with her girlhood up the farm in rural Connecticut with her extended Italian family Stops in her ancestral home in Basilicata and Torino the opposite of Southern Italy reveal that being an American of Italian descent in Italy poses its own challenges Nancy Carnevale author of A New Language A New World Italian Immigrants in the United States 1890 1945 A beautiful book It takes us through the decades of the last century and into this one to ask what it means to be Italian long after one generation s arrival and to consider how deep and elemental the facts of that are This is a subtle moving and original piece of work to read it is to see the world around us differently Joan Silber author of Improvement A Novel When I Am Italian Joanna Clapps Herman s exquisite new memoir begins with her rich cocoonlike childhood inside an extended Italian American family in Waterbury Connecticut With its all encompassing rituals of food talk and work her family has transposed the rhythms of southern Italy to the new world It s only when Clapps Herman leaves home to escape the restrictions and claim her own life that she realizes that this part of her identity does not necessarily reflect how the rest of America sees itself With beauty and insight When I Am Italian gives us Clapps Herman s fully lived understanding of the complex interweaving of culture and finding self Lisa Wilde author of Yo Miss A Graphic Look at High School A vital voice in Italian American literature Joanna Clapps Herman sings the subterranean stories and voices of her community Steeped in archaic rituals The Anarchist Bastard resonated with the echoes of ancient bards and cantastorie When I Am Italian continues her exploration into the heart of cultural identity as it has survived and mutated in the country to which her ancestors migrated yet with a difference here the narrator visits more private intimate selves Traversing the genres of memoir and essay Clapps Herman brings to the page a woman whose gestures language and memories are filtered through the sieve of being Italian an identity she understands as inherited and chosen fixed and fluid Anyone who has inhabited the liminal space of an ethnic community not only readers of Italian descent and persuasion will be seduced by the exquisite writing and will relish the tenderness and vulnerability with which this splendid book pulls us into a world where everyone can be Italian Edvige Giunta coeditor of Embroidered Stories Interpreting Women s Domestic Needlework from the Italian Diaspora **Pen Pal Feathers** Paola Fonseca, 2021-09-03 These letters reveal how I remembered I had wings and that I could fly not because I had them but because I had the courage to use them The ageing Arabella Gallina is struggling to pack up her family s centuries old coffee plantation house in Costa Rica Receiving a visit from her son James she discovers that his daughter Isabella is facing challenges in far away England
