

## **To Live To Be A Better Person**

**To live to be a better person is the best you can do  
And help anyone who needs helping of you  
If in words or deed they put anyone down  
He or she is not a good person though the wealthiest in the town  
Since they are the opposite to envy and greed  
Love, kindness and compassion are great gifts indeed  
For your future good Karma you are planting the seed  
Every time you help someone of your helping in need  
The power of doing good it does come from within**

**You can help to make the World a better World to live in  
By performing a good deed or two every day  
For the betterment of humanity your part you do play  
It is not the size of your home or the size of your car  
That tells me anything of the person you are.**
