Embodied Performances B. Allegranti, 2011-06-21 With a companion website that includes short online film episodes this book proposes expansive ways of deconstructing and re constituting sexuality and gender and thus more embodied and ethical ways of doing life and offers an understanding and critique of embodiment through an integration of performance psychotherapy and feminist philosophy

Relating to Queer Theory Sarah Cooper, 2000 Can queer theory be written by theorists of any sexual identity Does the act of reading queer theory form queer readers who do not necessarily claim lesbian gay or queer identity In Relating to Queer Theory the author explores the

intimate link between sexual identity and theoretical stance in the energizing work of leading contemporary queer theorists Drawing on a wide range of poststructuralist theory this study theorizes previously unarticulated ethical relations between queer theory and readers of different sexual identities Arguing that queer reading takes place in a transformative space that is open to readers of any sexual identity this book interweaves theory and practice of queer reading by staging a series of encounters between queer theory and the different but related field of French feminism Texts by Irigaray Kristeva Wittig and Cixous are placed alongside those of their queer theoretical commentators in order to re view current relations between feminism and queer theory This study reflects critically on intersecting and divergent positions in feminist theory and queer theory using each theoretical area to reread the other on issues of sexuality sexual difference and gender in relation to reading and writing

Performativity and Performance in Baroque Rome Peter Gillgren, 2017-07-05 A new interest in the study of early modern ritual ceremony formations of personal and collective identities social roles and the production of meaning inside and outside the arts have made it possible to talk today about a performative turn in the humanities In *Performativity and Performance in Baroque Rome* scholars from different fields of research explore performative aspects of Baroque culture With examples from the politics of diplomacy and everyday life from theatre music and ritual as well as from architecture painting and sculpture the contributors demonstrate how broadly the concept of performativity has been adopted within different disciplines

Late Derrida Ian Balfour, 2007 This special issue of SAQ commemorates and interrogates with varying measures of appreciation and critique the late work of the philosopher Jacques Derrida Resisting simple memorialization of Derrida since his death in 2004 this collection contends that the late work of this prolific theorist remains to be better understood The contributors explore the peculiar intensity a combined sense of both patience and urgency that characterizes Derrida s late writing suggestive among other things of his preoccupation with mortality of time running out and of so many pressing things to be done The essays address a wide array of Derrida s concerns human rights justice religion the performative the gift of death mourning and sovereignty They often put Derrida s texts in conjunction with the works of others Wordsworth Agamben Schelling and Benjamin to name a few that resonate with and on occasion resist Derrida s own thinking and writing One essay offers a reading of Wordsworth s elegy *Distressful gift* as a dialogue with questions posed by Derrida using as its frame the kind of nonnormative mourning that Derrida advocated together with a haunting analysis of the character of survival Other essays look at Derrida s theory of performativity as advanced in his late works continuing his emphasis on the power of language and in general they emulate his vigilance in attending to force and violence everywhere Contributors Ian Balfour David L Clark Mary Jacobus David E Johnson David Lloyd J Hillis Miller Marc Redfield Rei Terada Elisabeth Weber

Performing Fantasy and Reality in Contemporary Culture Anastasia Seregina, 2018-09-03 We frequently engage with that which we consciously perceive not to be real yet fantasy despite its pervasive presence and strong role in everyday life through its connection to identities communities desires and meanings

has yet to be properly defined and researched This book examines fantasy from a performance theory perspective Drawing on multidisciplinary literature it presents ethnographic and art based research on live action role playing games to explore fantasy as a bodily and negotiated phenomenon that involves various kinds of engagement with one's surroundings Overall this book is a study of various forms and roles that fantasy can take on as part of contemporary Western culture The study suggests that fantasy emerges as a different type of interpretation of normalised performance and reality and can thus provide individuals with the tools to wield agency in everyday life The book will appeal to scholars of sociology cultural and media studies literature and performance studies

The SAGE Handbook of Qualitative Research Norman K. Denzin (ed), Yvonna S. Lincoln, 2005 A thoroughly revised updated edition this volume includes new chapters on auto ethnography critical race theory queer theory testimonies

Performance, Power and the Art of the Aegean Bronze Age Senta C. German, 2005 Are we to believe that Late Minoan Crete was over run with dancers and bull leapers As Senta German shows dancing and bull leaping were the most prevalent themes of Late Bronze Age glyptic art although aside from their demonstration of a social and perhaps symbolic activity they also had a much deeper function in Late Minoan society

Body Politics. Ine Beljaars, 2016-02-12 Kizomba dancing originated in Angola Africa but has been gaining in popularity in the Netherlands since 2011 Curious how this cultural transmission affects white Dutch notions regarding self and other this book examines the socio cultural production of difference among white Dutch in the Dutch kizomba scene primarily in relation to people of African and African diasporic descent Tying into existing literature regarding the paradoxical state of contemporary Dutch society regarding gender race and ethnicity the author explores the balancing act between freedoms and restrictions that shape guide and inform peoples behaviour She thereby illustrates various performative mechanisms through which difference is reproduced This is relevant in a time characterized by racial ignorance on the one hand and xenophobia and heated debate concerning Dutchness and Otherness on the other Taking the body as point of departure through which gender sexuality race ethnicity and nationality are analysed the author demonstrates how the micro politics of small embodied movements connect to larger transnational mobilities and their macro political contexts The fine grained ethnographic descriptions navigate the reader through a highly sensitive topic in the Netherlands and contribute to social and academic debates in contemporary Dutch society

Changing Gay Male Identities Andrew Cooper, 2013-04-12 As the world changes so sexual identities are changing In a context of globalisation mass communication and technological advances individuals find themselves able to make lifestyle choices in new and different ways In this increasingly confusing world sociologists have argued that identities are in flux and that traditional patterns of identity and intimacy are being disrupted and reshaped with all the implications for sexual identities that this suggests Changing Gay Male Identities draws on the powerful life stories of twenty one gay men to explore how individuals construct and maintain their sense of self in contemporary society The book draws upon theoretical debates on topics such as gender

performance sex class camp race and ethnicity to explore four aspects of identity the role of the body in who we are relationships and communities performing in everyday life reconciling different aspects of our selves such as religion and sexuality In *Changing Gay Male Identities* Andrew Cooper assesses the magnitude of these social and sexual changes He argues that although there are many opportunities for new forms of identity in a changing world the possibilities can be significantly constrained and that this has major implications for the freedoms and choices of individuals in contemporary societies This book will be of interest to students and scholars of sociology sexuality studies gender studies and GLBTQ studies

Powerful Bodies Victoria Best, Peter Collier, 1999 In the first major overview of the latest and most challenging development in French cultural studies this volume approaches the field of performance theory in its diverse applications At the end of the twentieth century performance has become a highly significant theoretical framework that offers a new perspective on identity formation the relationship of self and other and the transformational properties of language Inspired by the ideas of French and Anglo American thinkers including J L Austin Roland Barthes Pierre Bourdieu Judith Butler H L ne Cixous Erving Goffman and Julia Kristeva the authors engage with performance studies in four major areas of current concern the body the image language and politics In a wide ranging series of new theoretical and applied readings they apply their insights to the *Commedia dell Arte* the cinema of Kieslowski the writings of Duras Genet Robbe Grillet and Bernard No l as well as the performative artistry of figures as diverse as Orlan and de Gaulle This book makes an invaluable contribution to the analysis of both literary and film theory
