Mandy Aftel

Perfumes Pasado Y Presente:

Pequena Historia del Perfume Mandy Aftel,2002-04 Desde los tiempos mas remotos las personas parecen experimentar un placer instintivo cuando frotran sus cuerpos con unguentos perfumados hechos con cortezas hojas flores y plantas El perfume etereo y casi intangible inigualable en su capacidad para evocar nuestras emociones mas profundas nos ha ayudado a orar a curar y a hacer el amor Los perfumes no solo estan directamente relacionados con sus fabricantes sin mas bien con sus sacerdotes y alquimistas que fueron los primeros en descubrir los poderes de la combinacion de esencias Sin embargo en gran medida la perfumeria es un arte perdido Su promesa creadora y sensual se eclipso con la llegada de los ingredientes sinteticos productos quimicos que carecen de la sutileza y complejidad de las esencias derivadas de sustancias naturales y de sus lujuriosas historias y de los cuales se incluye una alta proporcion en la fabricacion de los perfumes contemporaneos Mandy Aftel resucita la rica herencia relacionada con la evolucion de la perfumeria desde el comercio de especias hasta las investigaciones de los alquimistas y desentierra un mundo olvidado donde el aroma era alabado por los poetas contemplado por los filosofos y apreciado universalmente por sus profundos efectos sobre el cuerpo la mente y el alma La autora nos induce a experimentar por nosotros mismos los placeres derivados de las composiciones con fragancias naturales guiando asi al lector en un proceso de transformacion que sigue el decreto alquimico solve et coagula disuelve y combina y que supone en si mismo toda una transformacion estetica y espiritual **Perfumes** Miguel Giménez Sales,2000

Perfumes Francisco Luis Cardona Castro,2000 **Perfumes letales y banquetes eróticos** Estela Valverde,2005
