## **Practical Techniques For Effective Project Investment Appraisal:**

*Practical Techniques for Effective Project Investment Appraisal* Ralph Tiffin, 1999 This report contains many examples of appraisal process spreadsheets designed for practical use in your business In addition detailed checklists mean you won't overlook any factors during the appraisal process

**Retention of Title** Susan Singleton, 2010 This briefing ensures that businesses are put in a position where they can recover goods by judicious use of a well drafted retention of title clause and ensure their terms and conditions apply and form part of the contract between the parties Sadly many of the disputes that occurred during the recession have come about because one or other party did not get their commercial deal down in writing at the start They started running a company without a shareholder agreement Or they supplied goods without any terms and conditions in writing Or they had terms but they omitted important legal issues Often saving half an hour of a lawyer's cost in the initial drafting stage means a company has 18 months of High Court litigation This briefing will light the way on how to ensure you retain title to goods

*Discrimination Law and Employment Issues* David M. Martin, David Lozell Martin, 2006 Annotation This practical briefing will ensure that employers do not fall foul of UK law on age and all the other anti discrimination laws In addition to sex and race discrimination laws in the last two years employers have also had to cope with sexual orientation discrimination religious discrimination and age discrimination David Martin an expert on UK employment law and practice analyzes the practical aspects of dealing with each of the anti discrimination laws He demonstrates how to ensure that paperwork and systems comply totally with the law and he provides a range of helpful case studies to illustrate the key issues and bring them to life All employers and their professional advisers will find David Martin's practical approach and clear analysis of how to comply with the various discrimination laws invaluable

**EBOOK: Accounting: Understanding and Practice** Danny Leiwy, Robert Perks, 2013-02-16 The fourth edition of *Accounting Understanding and Practice* by Danny Leiwy and Robert Perks has been fully revised throughout and updated in accordance with the International Financial Reporting Standards Ample practice illustrations and examples help present the subject in relation to a business world to which readers can easily relate

**Financial Management** Jim McMenamin, 2002-09-11 Finance is a notoriously difficult core subject for business undergraduates which many find difficult to understand The area has been dominated by large and complex introductory texts often from the US which many lecturers find too detailed and unwieldy This carefully developed and researched text will fill this gap by providing a succinct modular UK focused introduction to the subject of financial management Quality controlled by an academic review panel the content and approach has been rigorously developed to answer the needs of non finance students The user friendly features and design will be of great appeal to the many undergraduates who find finance a difficult subject Examples models formulas and exercises are lucidly and clearly presented supported by strong pedagogical features learning objectives worked examples key learning points further reading practical assignments references case studies and teacher's guide This ensures that *Financial Management*

will prove the most accessible text for business and finance students
