A Pulse Pounding Adrenalin Rush Special Agent Joe Cross of the Federal Bureau of Investigations scrambles to find a killer who represents his biggest failure to date Twelve years ago a man killed a young girl and got away with it Now he s at it again But this time Joe is determined not to fail Leaving his family behind he travels to Florida and begins the arduous task of sifting through impossible evidence in an unfamiliar environment The killer expertly evades the local talent leaving nothing behind as evidence but his obsession with a woman of innocent appeal may become his inevitable ruin Excerpt Before she could move he stood up and turned to face her his expression soft now almost friendly She hesitated momentarily confused Maybe she was wrong Maybe he wasn t angry Hi he called She sputtered a greeting in return but there was still something about him that made her nervous Something Out of her peripheral vision she caught sight of a white patch on the ground Thinking maybe it was his hiking gear she looked beyond him to the spot where he d been crouching just moments before and felt the bite of cold winter air pierce her lungs as she gasped in alarm A pair of bare legs was sticking out of the midst of the palmetto patch lifeless and still She stared for what seemed like an eternity her brain barely grasping what she was seeing She was having trouble registering it putting it all together in her head but when the reality finally hit her entire body began to tremble She lifted her eyes back to his face searching hoping she was wrong He smiled and the blood froze in her veins He stared at the hiker The fear literally boiled off her so powerfully alluring that he could practically smell it She d seen the body There was no question He had no choice now but to kill her Not a bad bargain as far as he was concerned She stood there staring frozen by her own fear He d seen the look a dozen times before and he knew what it meant She was immobilized by terror confused searching for a way out but not quite comprehending He glanced around made sure that she was alone and his smile broadened Suzanne s heart began to race and the sound of her own blood throbbing through her ears made it almost impossible to hear anything else There was a pain in her chest a squeezing suffocating sort of pain Her body was providing her with the perfect burst of adrenaline to flee but she couldn t seem to make her feet move All she could do was stand there and stare at him in abject terror her mind cataloging every detail of his face He was so handsome so clean cut So benign He hardly looked like what she thought a killer should She couldn t seem to tear her gaze away from his couldn t seem to do much of anything at all God why couldn t she run Why was she just standing there like an empty headed fool

when she knew she should run must run Yet the futility of even making an attempt What was the point in giving in to such a conditioned response when she knew it was hopeless utterly hopeless He took a step toward her She gave a little whimpering gasp and stumbled backwards He laughed a lethal whisper of sound and took another step forward His movements were slow self assured like he knew he couldn t possibly lose A second later she heard an odd scream burst through the forest echoing off the surrounding trees She was so terrified that it took her a moment before she realized the scream had been her own She was so intent on getting out of there getting away Dammit there had to be a chance Dear God please give me a chance she mentally screamed She twisted around prepared to run felt her booted foot snag on something A damn tree root Her arms flailed the air for one terrifying moment and then she managed to right herself again She lunged forward began a stumbling flight back the way she d come blindly tearing through the woods dodging the tree branches that slapped at her body and pulled at her hair as she passed Her breath became a ragged wheeze Her lungs felt like they would burst And the whole time her legs were pumping hard to get her out of danger she knew she was never going to make it She would never waste another second resenting her ex husband Would never again enjoy the cool crisp country air the wisps of white clouds in an otherwise clear blue sky She would never be thrilled at catching sight of a meteor on a dark night never feel the touch of a man s fingers caressing her face She was going to die This man was going to kill her She knew that as surely as she knew the sun was still shining She was already losing ground Her legs burned from the effort the strain she was forcing on them She d always been an athletic person had always been in good shape but she knew she couldn t run forever Not at top speed Eventually she would exhaust herself and then He would be there With a sinking sort of dread she felt it coming She was flagging already She wasn t going to make it God she wasn t going to make it
