Shadows Olivia Hart, 2021-02-23 Wanted by a Queen Hunted by an assassin Stolen by a Dark Prince Yesterday I was just a normal girl trying to survive college Except that normal girls don't walk through mirrors and meet the man sent to kill them Now I'm being dragged kicking and screaming into a world where nothing makes sense Sebastian my dark and mysterious captor promises to protect me But how can I trust someone who can sneak into my dreams Someone who hungers for the untouched parts of me Sebastian claims I could be the next Dark Queen of the Fae He says I have powers that I'm immortal and that he's the only one I can trust He's arrogant and bossy but I might have to trust him in a world where shadows are gateways to other worlds Where every gift has a price and where the man in black might turn out the hero Everyone in this new world is trying to murder me If I'm to survive I have to embrace the shadows and become more than human I have to become something stronger Something darker Something they're afraid of *Princess of Shadows* is the first book in the three book series *Court of Lies* It is packed with magic adventure and a slow burn romance Contains swearing and mature themes

Alexander, 2021-11-07 A princess doesn't lead an army Or does she Peace is dying as a kingdom crumbles It is a hard life on a

strange world under a red sun that never moves in the sky but the Kingdom of the Light Shadows and Dark has brought stability for generations Now with rebellion and warfare rife in the realm death in all its brutal forms stalks the land Aeryn the Princess of Shadows was second in line to the throne as a young child but the fighting has shattered not only the Light Shadows and Dark but her family as well She grows up amid war and loss a smart stubborn and quick tempered girl who is determined to succeed to the throne of a restored kingdom She has made a promise to her mother that she would always do her best and she intends to be true to her word Above all else however she wants revenge Achieving any of her goals seems unlikely as obstacles are piled one after another in front of her Armies fail castles fall and erstwhile allies betray She makes plenty of mistakes as well some silly and childish others grown up and deadly She must learn from her errors fast enough to survive While she does have friends and finds allies in strange places there are many who see her as nothing more than a pawn in their own plays for power The odds are not in her favor If she fails however humanity will face a bleak future on an unforgiving world What is the future of a young princess with powerful lords and captains arrayed against her What is the fate of those men when the princess decides to get even
