A Christian Exploration of Women's Bodies and Rebirth in Shin Buddhism Kristin Johnston Largen, 2020-10-05
Jodo Shinshu Buddhism inherited many negative doctrines around women's bodies which in some early Buddhist texts were presented as an obstacle to rebirth and a hindrance to awakening in general Beginning with an examination of these doctrines the book explores Shin teachings and texts as well as the Japanese context in which they developed with a focus on women and rebirth in Amida's Pure Land These doctrines are then compared to similar doctrines in Christianity and used to suggest fruitful avenues of Christian theological reflection

The Kingdom of God in Africa Mark Shaw, Wanjiru M. Gitau, 2020-07-31 African Christianity is not an imported religion but rather one of the oldest forms of Christianity in the world In *The Kingdom of God in Africa* Mark Shaw and Wanjiru M Gitau trace the development and spread of African Christianity through its two thousand year history demonstrating how the African church has faithfully testified to the power and diversity of God's kingdom Both history students and casual readers will gain greater understanding of how key churches figures and movements across the continent conceptualized the kingdom of God and manifested it through their actions The only up to date single volume study of its kind this book also includes maps and statistics that aid readers to absorb the rich history of African Christianity and discover its impact on the rest of the world

Exceeding Reason Dennis Vanden Auweele, 2020-10-12 The work of the later Schelling in and after 1809 seems antithetical to that of Nietzsche one a Romantic idealist and Christian the other Dionysian anti idealist and anti Christian Still there is a very meaningful and educative dialogue to be found between Schelling and Nietzsche on the topics of reason freedom and religion Both of them start their philosophy with a similar critique of the Western tradition which to them is overly dualist rationalist and anti organic metaphysically ethically religiously politically In response they hope to inculcate a more lively view of reality in which a new understanding of freedom takes center stage This freedom can be revealed and strengthened through a proper approach to religion one that neither disconnects from nor subordinates religion to reason Religion is the dialogical other to reason one that refreshes and animates our attempts to navigate the world autonomously In doing so Schelling and Nietzsche open up new avenues of thinking about the relationship between freedom reason and religion

The Interpretation of The Meaning of The Holy Quran Volume 24 - Surah Yusuf verse 1 to 65 Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam

among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin **Oriental Illustrations of the Sacred Scriptures ...**
