

Five Stages of Second Language Acquisition

Stephen Krashen divides the process of second-language acquisition into five stages:

1. **preproduction**
2. **early production**
3. **speech emergence**
4. **intermediate fluency**
5. **advanced fluency**

Second Language Acquisition

Bill VanPatten, Jessica Williams

Second Language Acquisition:

Second Language Acquisition Rod Ellis, 1997 In the age of the global village and the world wide web understanding the way in which people learn languages is of ever increasing importance This book makes the essentials of this rapidly expanding area of study accessible to readers encountering it for the first time [Understanding Second Language Acquisition](#) Lourdes Ortega, 2014-02-04 Whether we grow up with one two or several languages during our early years of life many of us will learn a second foreign or heritage language in later years The field of Second language acquisition SLA for short investigates the human capacity to learn additional languages in late childhood adolescence or adulthood after the first language in the case of monolinguals or languages in the case of bilinguals have already been acquired *Understanding Second Language Acquisition* offers a wide encompassing survey of this burgeoning field its accumulated findings and proposed theories its developed research paradigms and its pending questions for the future The book zooms in and out of universal individual and social forces in each case evaluating the research findings that have been generated across diverse naturalistic and formal contexts for second language acquisition It assumes no background in SLA and provides helpful chapter by chapter summaries and suggestions for further reading Ideal as a textbook for students of applied linguistics foreign language education TESOL and education it is also recommended for students of linguistics developmental psycholinguistics psychology and cognitive science Supporting resources for tutors are available free at www.routledge.com/ortega **Introducing Second Language Acquisition** Muriel Saville-Troike, 2012-04-05 A clear and practical introduction to second language acquisition written for students encountering the topic for the first time **The Study of Second Language Acquisition** Rod Ellis, 1994 This thorough introduction to second language research provides a comprehensive review of the research into learner language internal and external factors in language acquisition individual differences and classroom second language learning [Second Language Acquisition](#) Susan M.
