Secret Of The Knights:

Secret of the Knights Jim Gasperini,1984 The reader s decisions determine what adventures will occur during a trip back in time to the fourteenth century to learn more about the Order of the Garter

Secrets of the Knights Templar Susie Hodge,2013-12-03 *Secrets of the Knights Templar* is the compelling chronicle of the warrior monks and their fight to defend the Catholic faith and of their participation in the efforts to vie for control of the Holy Land with the Muslim armies of Kurdish military genius Saladin and his successors Informally organized in 1119 to protect pilgrims on their journeys to visit the Holy Land and officially sanctioned by the Catholic Church in 1129 the medieval Knights Templar grew into an elite fighting force that played a central role in the battles of the Crusades They were highly trained well equipped and unafraid to take up the sword to defend the church at the limits of western civilization Though Templar was initially celebrated for their military acumen and acts of bravery the once celebrated order was eventually dismantled in disgrace accused of political crimes as well as crimes against the faith With its concise authoritative and accessible narrative amplified by extensive citations from contemporary sources and accompanied by generously captioned and stunning images of the period *Secrets of the Knights Templar* brings a distant era of history dramatically and vividly to life It is the perfect gift for anyone with a love of medieval religious or military history From the Hardcover edition
