[Prince of Midnight](#) Laura Kinsale, 2009-07 A tarnished legend driven into exile deep within the depths of a crumbling French castle was once the Prince of Midnight Now he is just a forgotten shadow She is seeking the hero but finds herself weary of the reality He is the only person who can help her realize her dreams but could she trust a man so entombed in despair and self loathing with the depths of her heart They begin their journey over land and sea to independently attain their dreams but under the blanket of night they find a spark of passion has been born Will their all consuming fire light the path that leads to everything they desire or will it pull them into the dark abyss
