## **Man Who Never Was The:**

*The Man He Never Was* James L. Rubart, 2018-02-20 In this fresh take on the classic Dr Jekyll and Mr Hyde James L Rubart explores the war between good and evil within each of us and one man's only chance to overcome the greatest divide of the soul What if you woke up one morning and the darkest parts of yourself were gone Torren Daniels vanished eight months back and his wife and kids have moved on with more than a little relief Toren was a good man but carried a raging temper that often exploded without warning So when he shows up on their doorstep out of the blue they're shocked to see him alive But more shocked to see he's changed Radically His anger is gone He's oddly patient Kind Fun The man he always wanted to be Toren has no clue where he's been but he knows he's been utterly transformed He focuses on three things Finding out where he's been Finding out how it happened And winning back his family But as the months go on his memory slowly returns And the more the memories come the more Torren slips back into being the man he was before How can he hang on to the new man he's become And who is he really The man he was or the man he is Praise for *The Man He Never Was* With plenty of twists and turns to keep the pages turning *The Man He Never Was* expertly explores the difference between knowing and experiencing and asks the important question What might happen if we could see the person in the mirror as God does Katie Ganshert award winning author of *Life After This* is no mere novel but a journey to the soul Sage deep filled with a truth of terrible beauty and the real nature of love Tosca Lee New York Times bestselling author In *The Man He Never Was* James L Rubart perplexes readers in the best possible way wooing us through the mystery of a man's lost memory and the high stakes of his broken marriage failed career and an unbridled anger problem A page turning exploration of what it means to live truly loved Mary DeMuth author of *The Muir House*

Gertrude Stein's Ultimate Collection encapsulates the avant-garde spirit of her literary oeuvre, presenting a rich tapestry of novels, short stories, poetry, plays, memoirs, and essays. Stein's experimental style eschews traditional narrative forms, employing stream-of-consciousness techniques and a unique use of repetition that invites the reader to immerse themselves in the rhythm of her prose. This collection not only showcases her contributions to modernism but also reflects the zeitgeist of the early 20th century, a period of profound cultural and artistic upheaval that Stein was pivotal in shaping. Gertrude Stein, an American expatriate in Paris, was at the forefront of the artistic movements of her time, befriending luminaries such as Pablo Picasso and Ernest Hemingway. Her own experiences as a Jewish woman and a groundbreaking writer informed her exploration of identity, language, and the very nature of art itself. Stein's insistence on the significance of the structure and sound of language reveals her innovative approach to writing, emerging from her deep engagement with both psychology and the avant-garde. This collection is a treasure for both aficionados of modernist literature and newcomers alike, offering an expansive view of Stein's intellectual landscape. Readers will find in this anthology not just a compilation of her works but a gateway into the mind of a literary revolutionary whose legacy continues to influence writers and artists today. **The**
