Managers And Mantras:

Manager Mantras Volume 2: Find Your Mantra Shivangi Shinari,2020-02-20 In Manager Mantras we cover some of the most interesting practices adopted by the winners of the Great People Manager Study 2019 conducted in association with Forbes India Distilling more than 500 practices spanning people managers from more than ten different industries here we present a compilation of 100 mantras adopted by CXOs mid level managers and first line people managers Allow yourself to be encouraged to design mantras of your own in your journey to becoming a great people manager *Manager Mantras: Find Your Mantra* Garima Verma,2018-07-18

Management Mantras H. H. Sri Sri Ravi Shankar,2013 Keys to Effective Management and Leadership Organisations the world over today are paying more and more attention to how to prevent their workforce from burning themselves out due to an unrelenting pace of work Views are radically changing on practices to ensure the employees perform consistently well over many years In this book Sri Sri offers valuable tips for managers and leaders to become more effective in their roles and also on how to develop a conducive work environment so that both the employees and the organisation add value to each other Management begins in the mind When the mind manages itself better it can manage anything H H SRI SRI RAVI SHANKAR

Management Mantras Sri Sri Ravi Shankar,2014-01-01 Organisations the world over today are paying more and more attention to how to prevent their workforce from getting burnt out due to an unrelenting pace of work Views are radically changing on these practices to ensure that employees perform consistently well over many years In this book Sri Sri offers valuable tips for managers and leaders to become more effective in their roles and also on how to develop a work environment that is conducive for both the employees and the organisation to add value to each other

Mantras for Managers N. K. Singh,2002-08-01 *Mantras for Managers* N. K. Singh,2012-03-14 The innovative book will stimulate thinking of corporate managers on key issues of organisations and management The imaginary dialogues in the book represent the inherent conflict between logical cut throat competitions rampant in today s world and the inevitable need to retain natural grace of values It deals with the key issues of mission and objectives of organisations understanding people and bringing changes in organisational culture Future development in socio economic sphere will be greatly influence by values and attitude of people in various organisations Mantras for Managers is a window on the new humanism in organisational and institutional development

Management Mumbo-Jumbo A. Furnham,2006-01-24 Bestselling author and psychologist Adrian Furnham takes a critical view of the jargon and fads in management contained in manifestos and mission statements and shows how these often obscure and mystify He considers atmospheric compulsory training fundamentalist gurus integrity tests personality of organizations and uncertainty avoidance

Management Mantras Colonel Ravi Batra,2013-11 This book is step by step practical tool for a truly liberated life It would help any reader to understand life threadbare and then manage it based on ancient Indian wisdom universal love and human values

A Forward Looking Approach to Project Management Nikhil Gurjar,2016-08-09 This book is

intended as a basis for advanced treatment of concepts in project management In the current scenario where most questions are answered through the internet the knowledge element in project management has come under the influence of disruptive technologies In other words project managers no longer get points for knowing something that is easily available on the internet This has far reaching consequences The present day project managers need to orient themselves to newer benchmarks of what is required for success on the business front This book deals with a few such advanced concepts in project management This book is not designed as an elementary primer to the field of project management rather it is an advanced level treatment on the subject to be read after the preliminary study has already been completed The book is designed for practicing project managers and graduate students in engineering and management who need to understand the dynamics that are typically encountered in a project based environment The content in the book is based on extensive study of literature and training programs Many of the tools have been developed on the basis of modeling and simulation methods that are specially designed by the author These were tested at several live projects across the globe Most of the exercises in the book are actually meant for the reader to perform as they go The book is not designed with a read all and come back later approach rather it focuses on learning by doing whereby the reader is expected to do the exercises before reading on The book will prove useful in self learning as well as in classroom teaching and professional training programs
