topics ranging from benefits management stakeholder strategy facilitation change readiness project management and education and learning support The Effective Change Manager s Handbook covers the whole process from planning to implementation offering practical tools techniques and models to effectively support any change initiative The editors of The Effective Change Manager s Handbook Richard Smith David King Ranjit Sidhu and Dan Skelsey are all experienced international consultants and trainers in change management All four editors worked on behalf of the Change Management Institute to co author the first global change management body of knowledge The Effective Change Manager and are members of the APMG International examination panel for change management *DK Essential Managers: Managing People* Johanna Hunsaker, Phillip Hunsaker, 2015-05-05 Whether you re eager to learn how to manage people or are an experienced professional aspiring to enhance your effectiveness as a manager this practical guide is the ideal companion DK Essential Managers Managing People starts by helping you understand yourself and making you self aware an invaluable predecessor to managing others and getting the best from them Find out how to improve your people management skills by learning how to motivate staff improve performance and create positive relationships You ll learn to build confidence communicate clearly and establish trust Statistics brief case studies and colorful graphics and charts help you navigate the path towards successfully managing people whether for a small retailer or a Fortune 500 company This indispensable volume is part of DK s Essential Managers series that offers the know how you need to be a more effective manager and hone your management style In a slim portable format DK Essential Managers Managing People gives you a practical how to approach with step by step instructions tips checklists and ask yourself features that show you how to focus your energy manage change and make an impact About DK Essential Managers The DK Essential Managers series covers a range of business and management topics and have sold more than 1.9 million copies worldwide Each guide is clearly presented for ease of reference with visual pointers tips and graphics The handy pocket format slips easily into a briefcase or portfolio

Reconsidering Change Management Steven ten Have, Wouter ten Have, Anne-Bregje Huijsmans, Maarten Otto, 2016-06-23 Despite the popularity of organizational change management the question arises whether its prescriptions and dominant beliefs and practices are based on solid and convergent evidence Organizational change management entails interventions intended to influence the task related behavior and associated results of an individual team or entire organization There is a perception that a lot of change initiatives fail and limited understanding about what works and what does not and why Drawing on the field of psychology and based on primary research Reconsidering Change Management identifies 18 popular and relevant commonly held assumptions with regard to change management that are then analyzed and compared to the four specific themes laid out in the book people leadership organization and change process resulting in their own set of assumptions Each assumption will have a brief introduction in which its relevance and popularity is explained By studying the scientific evidence in particular meta analytic evidence the book provides students and academics in the fields of change

management organizational behavior and business strategy the best available evidence for the acceptance or dropping of certain change management assumptions and their accompanying practices By exploring the topics people leadership organization and process and the related assumptions change management is restructured and reframed in a prudent positive and practical way

The Social Psychology of Change Management Steven ten Have, John Rijsman, Wouter ten Have, Joris Westhof, 2018-12-17 Changes are rarely accomplished by individuals People are social animals and changes are social processes which have to be organized Social psychology is essential for the effectiveness and development of the field of change management It is necessary to understand people in change processes Social psychology also teaches us that meaning is key during change and intervention Social psychology makes change management comprehensible to people and allows them to consider their actions in groups and the organization on their merits They may seem obvious and self evident but practice and science as well as the popular change management literature show that it is not Drawing on the field of social psychology and based on primary research The Social Psychology of Change Management presents more than forty social psychological theories and concepts that are relevant for the field of change management The theories and concepts are analyzed and categorized following Fiske's five core social motives belonging understanding controlling enhancing self and trusting Each theory will have an introduction in which its assumptions and relevance is explained By studying the scientific evidence including meta analytic evidence the book provides practitioners students and academics in the field of change management organizational behaviour and business strategy the most relevant social psychological ideas and best available evidence thereby further unleashing the potential of social psychology in order to feed the field of change management By categorizing and integrating the relevant theories and concepts change management is enriched and restructured in a prudent positive and practical way The overarching goal however inspired by the ideas and perspective of leading thinkers like Kurt Lewin James Q Wilson and Susan T Fiske is to make the world a better place Social psychologists being social scientists study practical social issues in our case issues related to change management and application to real world problems is a key goal Therefore this book goes beyond the domain of organizational sciences

The Effective Change Manager's Handbook, 2017
