## **Off To See The Wizard:**

Educated Guess Howard Good, 2003 School board veterans and rookies alike will identify with Good's wide ranging tales of board service. The book provides guidance to those facing common school board issues: school violence, censorship, public speaking, budget cuts, citizen complaints, internal conflicts, and the negative image that seems to dog school boards no matter what they do. *I'm Off to See the Goddamn Wizard, Alright!* SDiane Bogus, 1971 There is one lesbian love poem. Black Ecstasy P Thorslev. *Judy Garland* Scott Brogan, 2025-06-18 A Definitive Celebration of Hollywood's Iconic Musical Star and Her Legendary Career. More than 100 years after her birth, Judy Garland remains the gold standard by which all movie musical leading ladies are judged. She is revered and celebrated by current stars, directors, songwriters, and others in the entertainment industry. She also has a fan base that is as large as that of Marilyn Monroe or James Dean. Her image, especially Dorothy in *The Wizard of Oz* (1939), is an instantly recognized icon. Garland really was the voice of MGM during her tenure, and after. No documentary about any aspect of the history of the MGM Studios is complete without Garland's voice on the soundtrack. When people think of MGM Musicals, they think of Garland along with Gene Kelly and Fred Astaire. She's the only female in that exalted top three. There have been many books about Garland's fabled and troubled life, but none devoted solely to the study and celebration of her years at MGM. She entered the studio as a 13-year-old contract player in 1935. She left the studio in 1950, carrying the title Metro's Greatest Asset. *Judy Garland: The Voice of MGM* will focus on Garland's films, but it will also delve into her other professional achievements, such as her extensive appearances on radio programs, her long association with Decca Records, and her personal appearances highlighted by her two USO Bond Tours in the early 1940s. This will be the definitive book about Garland's legendary career at MGM, pulling back the curtain to reveal the truths about that career while also presenting previously unknown details and facts that are sure to delight her fans as well as fans of classic film. **We're off to be Wizards** Marcia Kosich, 2011-01-14 An autobiography of a psychic medium who was emotionally abused in an Upper Class City. Her journey is of her and her friends who were also abused or neglected, and how she and her friends overcame from victims to survivors to help themselves, each other, and other people. **Taking Baby Steps** Jody Lyneé Madeira, 2017-12-19 In *Taking Baby Steps*, Jody Lyne Madeira takes readers inside the infertility experience: from dealing with infertility-related emotions through forming treatment relationships with medical professionals to confronting difficult medical decisions. Based on hundreds of interviews, this book investigates how women, men, and medical professionals negotiate infertility's rocky terrain to create life and build families: a journey across personal, medical, legal, and ethical minefields that can test mental and physical health, friendships, and marriages, spirituality, and financial security. **We're Off to See the Wizard**, 1999-05 Three Academy Awards were bestowed upon the film *The Wizard of Oz*. Is there a person alive that does not know the songs from the wonderful musical score? Join us along with Dorothy, Toto, the Scarecrow, the Cowardly Lion, and the Tin Man once again on the Yellow Brick Road to paradise. 1/05 The Encyclopedia of Best Films

Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre: i.e. animated, drama, sports, mystery, adventure, etc. as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

Twelve year old Seth Pender thinks his life came to an end when he suffered a spinal injury that left him confined to a wheelchair. Seth, an athlete who loves basketball, is sure he'll never play again. He grows sullen and silent, unresponsive when his family urges him to try to adjust. Then one day he sees an older boy who like himself is wheelchair bound. But this boy is playing basketball. How is that possible? Over the course of three years, Seth and the reader learn about the sport of wheelchair basketball, the similarities and differences between it and regular basketball, the skills one needs to excel at it, and the camaraderie that grows amongst the players. By the end of the story, Seth is better adjusted to his life and ready to reach out a hand to help others find their way.
