Official Nba Guide:

Sporting News Official NBA Guide, 1994-95, 1994 **The Sporting News Official Nba Guide 2002-2003** Craig Carter, Rob Reheuser, 2002-09-01 A comprehensive collection of records for every team in the NBA with statistics spanning from the 1940s to last June's final game *Official NBA Guide* Sporting News, 1999-08-31 The one book for every NBA fan with facts on the current season from day by day and team by team schedules to complete team directories and rosters

The Rise of the National Basketball Association David George Surdam, 2012-10-23 Today's National Basketball Association commands millions of spectators worldwide and its many franchises are worth hundreds of millions of dollars. But the league wasn't always so successful or glamorous. In the 1940s and 1950s the NBA and its predecessor the Basketball Association of America were scrambling to attract fans. Teams frequently played in dingy gymnasiums, players traveled as best they could, and their paychecks could bounce higher than a basketball. How did the NBA evolve from an obscure organization facing financial losses to a successful fledgling sports enterprise by 1960? Drawing on information from numerous archives, newspaper and periodical articles, and Congressional hearings, *The Rise of the National Basketball Association* chronicles the league's growing pains from 1946 to 1961. David George Surdam describes how a handful of ambitious ice hockey arena owners created the league as a way to increase the use of their facilities, growing the organization by fits and starts. Rigorously analyzing financial data and league records, Surdam points to the innovations that helped the NBA thrive: regular experiments with rules changes to make the game more attractive to fans, and the emergence of televised sports coverage as a way of capturing a larger audience. Notably, the NBA integrated in 1950, opening the game to players who would dominate the game by the end of the 1950s decade: Bill Russell, Elgin Baylor, Wilt Chamberlain, and Oscar Robertson. Long a game that players loved to play, basketball became a professional sport well supported by community leaders, business vendors, and an ever-growing number of fans.

Basketball David L. Porter, 2005-07-30 From its beginnings at the turn of the 20th century to its pervasive presence in 21st century America, basketball has grown into an undeniably important sport. The 575 entries in this biographical dictionary present concise narratives on the lives and careers of the most important names in basketball history. Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy, as well as more recently established and up-and-coming stars such as Carmelo Anthony, Kevin Garnett, and LeBron James. Entries for coaches such as the Boston Celtics' Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside. While the inclusion of female players and coaches such as Lisa Leslie, Diana Taurasi, and Pat Summitt shows that basketball is not just a sport for men, from its beginnings at the turn of the 20th century to its pervasive presence in 21st century America, basketball has grown into an undeniably important sport. The 575 entries in this biographical dictionary present concise narratives on the lives and careers of the most important names in basketball history. Entries include both classic players such as Kareem Abdul Jabbar and Bob Cousy, as well as more recently established

and up and coming stars such as Carmelo Anthony Kevin Garnett and LeBron James Entries for coaches such as the Boston Celtics Red Auerbach and Mike Krzyzewski from Duke University present the figures who have shaped the game from courtside while the inclusion of female players and coaches such as Lisa Leslie Diana Taurasi and Pat Summitt show that basketball is not just a sport for men This volume is an ideal reference for students seeking easily accessed information on the greats of the game
