Man Of Reason:

Theater of Man J. A. Fernandez Santamaria, 1998-01-01 Born in Spain and long time resident of Bruges Juan Luis Vives is one of the keenest and most neglected minds of the northern Renaissance A many sided intellect and critical observer of the contemporary scene Vives contribution includes treatises on metaphysics psychology education rhetoric logic religion and social reform And it is precisely the central premise of this monograph that what links these diverse works together and turns Vives literary production into a whole larger than the sum of its parts is the author s single minded commitment to the Socratic dictum that an unexamined life is not worth living But because man s Fall caused him to lose his pristine ability to accomplish that task as an individual he must now do it in the context of a God mandated man created institution society whose origins and evolution Vives explains in Stoic terms Building on a foundation of Socratic Aristotelian optimism and Augustinian pessimism he concludes that social man can indeed reach the bonitas which alone makes beatitude possible But at a price for Vives the Skeptic insists that man must forego the use of that ratio speculativa which seduces him into thinking that he can probe into nature s being and understand his own divine nature

The Man of Reason Genevieve Lloyd, 2002-11 This new edition of Genevieve Lloyd s classic study of the maleness of reason in philosophy contains a new introduction and bibliographical essay assessing the book s place in the explosion of writing and gender since 1984

Why the Church? Luigi Giussani, 2001 Giussani professor emeritus U Cattolica del Sacro Cuore Milan is a founder of the Catholic lay movement Communion and Liberation In this work originally published in Italian as Perche la chiesa he discusses issues of faith in an age of rationalism the mystery of the communion of believers He explores the Catholic Church s definition of itself as both human and divine and argues that a different type of existence is born in those who try to live the life of the Church c Book News Inc

McHenry, 2018-01-27 The book in overview is historical and instructional in content with the focus being on the Biblical text in terms of its original form and language and in consideration of its full and proper context linguistically textually historically culturally and literarily It stresses the importance of moving from a knowledge of the Bible to an understanding of its life giving instructions being studied in its entirety as a gift to mankind from a loving creator Elohim The thrust of the book is accordingly threefold An indictment of two of mans religious systems Judaism and Christianity for syncretism corruption of Elohim s written Word of truth and abuses of religious authority plus promulgation of religious traditions not

aligned with the whole truth of Elohim's Word. A call to return to the one source of truth, the written Word of Elohim understood in its originally written form and in its full and proper context. Providing the equipping and study tools necessary to move from a mere knowledge of the Word to an understanding of its life-giving instructions, how to live a redeemed life as Elohim intended for all mankind.
