Managed Care Outcomes And Quality A Practical Guide

A. F. Al-Assaf, R. Robyn Assaf

Managed Care Outcomes And Quality A Practical Guide:

Managed Care, Outcomes, and Quality Steven F. Isenberg, 1998 The first section leads us through the complicated and risky business of capitation and examines reimbursement in a managed care environment The idiosyncrasies of managed care contracts are detailed and you will learn how to negotiate with managed care companies There is a focus on practice profiling and the presentation of an expertise on referral guidelines The final chapter explores the ethical issues of managed care In section II you will find a description of outcome research and youseful information for the implementation of outcomes research in community based office practices The third section begins with two chapters on improving office efficiency and managing staff in a managed care environment The next chapter leads us through the important and complicated software selection process for the individual practitioner s needs A private practitioner offers his insight into managing a medical practice and the section completes with some helpful pointers to avoid malpractice claims Section IV provides the physicians response to managed care The legal issues of mergers and networks are discussed Several practicing physicians outline their personal experiences in the rapidly changing world of physician network development The book s final chapter leaves us with an expertise on how physicians can take back healthcare

Managed Care Quality A. F.
