NBA record book which covers records set in the regular season All Star games playoffs and Finals 150 photos **War in the Gulf, 1990-91** Majid Khadduri, Edmund Ghareeb, 2001-09-27 For most Americans the war against Iraq lingers in memory as a vast morality play a drama offering ready made heroes and villains a glowering dictator in military uniform hapless Kuwaiti refugees with tales of persecution plucky pilots with high tech wizardry and a defiant American president ringing Churchillian as he drew a line in the sand But this characterization of the war is greatly oversimplified a one dimensional portrait lacking in context and nuance In *War in the Gulf 1990 91* eminent scholars Majid Khadduri and Edmund Ghareeb paint a very different picture one that brings historical depth to the portrait and displays the actions of many of the participants in a new and revealing light Khadduri and Ghareeb offer a far more accurate and complex portrait of the Iraq Kuwait conflict providing a wealth of background information not readily available before They made a distinction between the differences between Iraq and Kuwait over frontiers territory and sovereignty and the method pursued by Iraqi leaders to resolve those differences They explore for instance the history of relations between Iraq and Kuwait revealing that Kuwait had once been a part of Basra in southern Iraq during the Ottoman rule and only became a separate country while under British control it was the British in fact who drew the much disputed boundary line between Iraq and Kuwait Khadduri and Ghareeb describe the many decades of struggle to resolve the boundary issue examining the repeated attempts by other Arab states to mediate according to Islamic traditions of consultation and peaceful resolution within the faith The authors also show how Saddam Husayn s war with Iran exacerbated the boundary tensions Because of the decade long war Iraq badly needed oil revenue to repay wartime loans and to rebuild but Kuwait persisted in pumping far beyond its OPEC quota driving down prices and costing Iraq billions of dollars of revenue The book reveals how Kuwait spurned Arab attempts to mediate this clash over oil prices as well as the longstanding boundary dispute frustrating efforts to resolve this crisis by peaceful means In one particularly interesting section the book examines the diplomatic talks during the early summer of 1990 both among various Arab nations most notably Iraq Saudi Arabia Egypt and Kuwait and with Saddam Husayn and the United States they show how messages from Washington and a visit by a congressional delegation lead by Senator Dole convinced the Iraqi leaders that they would be allowed to settle their problems with Kuwait without outside interference Khadduri and Ghareeb carry us through to the present exploring the war and its aftermath from the uprisings against Baghdad to the continuing U N sanctions to the recent defections from Saddam s inner circle *War in the Gulf* is a balanced eye opening account of one of the central events of recent years It corrects the Western views of most reporting explaining the frame of mind of the participants as no one has done before and causing us to examine anew such questions as who was responsible for the conflict and what might have happened if the United States had not intervened so rapidly **Official NBA Guide** Craig Carter, 2001 Provides detailed information on every team and every record in the NBA since the 1940s *Pell Grant Recipient Data Exchange Program for 1990-91*, 1990 *Official Records*, 1980
