Olivet Prophecies:

From the Ascension to the Kingdom David C. Westcott,2010-10-18 Beginning with some background information on the Mount of Olives the temples of Jerusalem the Passover week and the mindset of Jesus disciples this book employs this author s composite of the Olivet Discourse passage found in Matthew Mark and Luke to expound upon the prophecies presented by Jesus to His closest disciples After hearing His disciples inquires Jesus delineated details of events which would take place after His departure into heaven up and through the time of His return to establish His Earthly Kingdom The disciples were anticipating an immediate arrival of Jesus Kingdom but Jesus knowing this gave them an accounting of events which must take place prior to the establishment of that Kingdom He began by giving a direct warning to the disciples followed by an explanation of trials that they would personally encounter Jesus then told these disciples about the demise of Jerusalem which would take place in 70 A D Following that He spoke of the coldness of heart which will permeate the society in the end times He gave them the Abomination of Desolation as a sign of the approach of the end of the age Jesus detailed the events which will surround His return to set up His Earthly Kingdom Moreover through parables Jesus taught His disciples and those who will His discourse the importance of being prepared for His return In the final scene of this discourse Jesus presents a picture of a judgment which will take place in preparation for the establishment of His Kingdom There are many lessons to be learned through Jesus presentation of the Olivet Discourse This writer hopes that his readers will take to heart the lessons of this most prophetic disclosure on the end of the age When? Stan Way,2019-04-26 The Olivet prophecy focuses on one of the most important events of divine history the destruction of Jerusalem and the Temple in AD 70 This was a judgment event that fulfilled Old Testament messianic prophecy particularly prophecies found in Daniel Zechariah Joel and Malachi With the destruction of the Temple the practice of the Old Testament sacrificial system was brought to an end never to reestablish As twenty first century Christians we live with the expectation of Christ s second coming an event defined by resurrection and the end of history This is the blessed hope and the final event of the present age Prophecy in Context Bob Shelton,2008 This book is a detailed study of Christ s Olivet Discourse from Matthew 24 25 Provided by publisher **Olivet Prophecies** E. Raymond,E. Raymond Capt,2002-01-01 The Lord's prophecy on Olivet in Matthew 24,25 William Kelly,1903 The Church in End-Time Prophecy Curtis Schulze,2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church s obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if

he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through *The Olivet Discourse Decoded* David Nikao Wilcoxson,2020-10-23 Matthew records that Messiah pointed to this generation ten times In the final time Messiah said Verily I say unto you this generation shall not pass till all these things be fulfilled Matthew 24 34 The nine previous mentions are pointing to the Jews who opposed Messiah Are we to believe that the tenth time that He described this generation that He is pointing to the end times No The context of Messiah s Olivet Discourse is the desolation of the temple that He was just in when He rebuked the Jews and said Verily I say unto you all these things shall come upon this generation All of the things that Messiah described from Matthew 23 36 to Matthew 24 33 were fulfilled by 70 AD when the Romans desolated Jerusalem the temple and the Jewish nation The enemy has deceived people about the symbolism of the sun moon and stars being darkened Messiah coming in power and glory and the elect being gathered into the kingdom But the Bible gives the proper definitions for the symbols We need to take Messiah at His Word and look at how the things that He described were about the Jewish nation for their punishment of continuing their rebellion against the Father for delivering Messiah up to be killed and for persecuting His disciples The Olivet Discourse is directed related to the 70th Week of Daniel 9 which I cover in my previous book which says that the city and temple will be desolated because of the abominations of the Jews If you re seeking for truth and not to defend a belief this book will prove out the fulfillment of Messiah s Olivet Discourse It will help you see that it s not about the end times so that you re not misled about the fulfillment of Revelation as we await Messiah s promised return **The Prophecy on Olivet, Part** Robert Govett,2009-04 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work [Understanding Biblical Prophecy: Clear Insights and Explanations for Navigating Today's Uncertain Times](#) Keisha Weeks,2025-04-22 Unlock the mysteries of biblical prophecy and find clarity amidst today s turbulent world This book serves as a comprehensive guide to understanding the often complex and seemingly impenetrable world of prophetic
