

“Even now,” declares the Lord,  
“return to me with **all your heart,**  
with fasting and weeping and  
mourning.”

Rend your heart and not your  
garments. Return to the LORD  
your God, for **He is gracious and  
compassionate,** slow to anger  
and abounding in love, and He  
relents from sending calamity.

Joel 2:12-13

## **Return Of The Lord:**

**The Return of the Lord Jesus** R. A. Torrey, 2012-07-02 What Will Happen to You Jesus could return at any moment Here are the scriptural answers to questions about the time manner and results of His return including What will be going on when Jesus returns Will non Christians have a chance to repent How can I be ready for the rapture When will I receive my heavenly reward When will I receive my new body Who will reign with Christ What will happen to believers who have died Many people view Christ s return to the earth as either improbable or dreadful However for those who know Him personally His return will be a day of joy transformation and reunion You can be ready for the greatest day the world has ever seen

**Preparing for the Lord's Return** Witness Lee, 2025-02-07 If we genuinely love someone we love their appearing and if we genuinely love the Lord we must love His appearing that is His coming John 21 reveals the matter of loving the Lord and in 2 Timothy 4 we see the matter of loving His appearing Verse 8 says Henceforth there is laid up for me the crown of righteousness with which the Lord the righteous Judge will recompense me in that day and not only me but also all those who have loved His appearing In this series of messages we will cover the second coming of the Lord Jesus Christ However we will not cover the second coming in a doctrinal way Instead we will cover the Lord s return in a way that causes us to love the Lord Jesus and to love His appearing *The Return of the Lord* Ernest Baker, 1916 *The Return of the Lord Jesus; the Key to the Scripture, and the Solution of All Our Political and Social Problems; Or, the Golden Age That Is Soon Com* Reuben Archer Torrey, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1913 edition Excerpt chapter iv the results of the return of our lord jesus The results As regards God As regards the Church and individual believers As regards Israel As regards the Nations As regards human society as a whole As regards Antichrist and the Devil As regards the physical universe Repent ye therefore and turn again that your sins may be blotted out that so there may come seasons of refreshing from the presence of the Lord and that He may send the Christ who hath been appointed for you even Jesus whom the heavens must receive until the time of the restoration of all things whereof God spoke by the mouth of His holy prophets that have been from of old Acts 3 19 21 chapter iv the results of the return of our lord jesus T1te come now to the brightest gladdest part of our whole study The results of our Lord s Return to this earth as revealed in His Word are such that the very contemplation of them will fill the believer s heart not only with hope and longing but with gladness and ecstasy These results are manifold They may be classified under seven heads First The results of The Return of our Lord Jesus as regards God Second The results as regards the Church and individual believers Third The results as regards Israel Fourth The results as regards the Nations Fifth The results as regards human society as a whole Sixth The results as regards the Antich *The Banner of Israel* , 1893 *The Rapture and Return of The Lord Jesus Christ* Joseph Morgan, 2021-12-15 Is Christ going to return to the earth physically Will the Rapture of the church occur The Bible answers these questions in the affirmative So

when will these things take place After years of studying this I am convinced that not only will the Lord Jesus be coming to reign on this earth from Jerusalem but He will be doing so very shortly I believe that the Bible in fact tells us the exact date of His return Not only that it also tells us the exact date of the Rapture or at least the time in which it will occur Even more it tells us when the final seven year period will begin and when the Antichrist will reveal himself to the day I know that many might express incredulity at such claims and even shock at the utter audacity to proclaim something so preposterous and I do not blame you if you do feel this way I only ask that you read and consider for yourself The prophetic time line laid out in this book is absolute and can be overlaid onto the Gregorian calendar I encourage you to read and discover for yourself why I am so confident in my declarations and how those prophetic time stamps align on our modern calendar When done and when applied to what Scripture says and the history of the church age it tells us the physical return of Christ to the earth could very well take place on April 9 2033 Get ready to be shocked as the book of Revelation will be unfolded to you in a way you have probably never seen before The Expository Times James Hastings,Ann Wilson Hastings,Edward Hastings,1903

Thus Saith the Lord; Or, Words of Divine Love Octavius Winslow,1872 *The Return of the Lord Jesus* Reuben Archer Torrey,2025-05-22 In *The Return of the Lord Jesus* Reuben Archer Torrey explores the profound implications of Christ's second coming Addressing both scriptural interpretation and contemporary social issues Torrey argues that the key to understanding the Bible and resolving political and social problems lies in recognizing the imminent return of Jesus Christ Torrey paints a vivid picture of the coming Golden Age offering a message of hope and transformation rooted in his understanding of eschatology This book presents a comprehensive examination of the prophecies related to the end times inviting readers to consider the transformative power of faith and the promise of a renewed world *The Return of the Lord Jesus* remains a relevant and thought provoking work for those interested in Christian theology and biblical prophecy This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **He Will Come; Or, Meditations**

**The Lord's Return** Steven James,2015-05-07 MANY HAVE SPECULATED about the return of the Lord Jesus Christ Few however appear able to properly explain how and when this occurs based on sound interpretive methods Theories on the subject are proliferated far and wide often based upon especially dubious problematic concepts You will likely find this study a refreshing alternative It s believed that this endeavor will be received as a welcome relief from many of the commonly held woefully inadequate eschatological or end times ideologies This work consists of extrapolation and logical progression from those facts with which we are already aware The unvarnished Word of God is paramount to any such undertaking Fundamentally the bulk of this volume is based on corroboration directly from the pages of Scripture And many passages are surprisingly clear about the occurrence This study describes just how everyone will witness this grand event indistinguishably from one another Hopefully the journey will prove rewarding to those who are able to appreciate the central points that are emphasized In this treatise many concepts are explored and an attempt is made to illuminate biblical passages that otherwise appear virtually irreconcilable New light will be shed on the expectancy of the Lord s return one of the dominant themes of the New Testament THIS BOOK CONCERNS YOUR FUTURE Its contents demonstrate that the Second Coming of the Lord is something that everyone throughout history will encounter It should help to satisfy the minds of those interested in their eternal destiny and of those things which must soon take place Revelation 22 6      *Bible studies: the Internat.
