Return Of The Goddess:

Return of the Goddess Edward C. Whitmont, 1997 Argues that modern society is turning away from the male concepts of power and aggressiveness and returning to feminine values such as instinct intuition and emotion The Return of the Goddess Elizabeth Cunningham, 2023-08-15 The Goddess is returning She takes shape in the hands of an Episcopal priest s shy retiring wife She invades the dreams of a grande dame who thinks women priests are a scandal She lures a poker playing ex convict onto unfamiliar terrain literally Then there is the mysterious old man in the wood who s been watching waiting for a sign of her return Who is the Goddess Where has she been for so long What does she want from the four human beings whose lives she is turning upside down and inside out As they confront these questions Esther Spencer Marvin and Fergus find themselves drawn together forging friendships across boundaries of age class and race discovering and recovering powerful erotic passions All their encounters with themselves and each other lead them deeper into Blackwood an old estate that shelters an imperiled grove of trees sacred to the Goddess a grove it becomes their mission to save The Return of the Goddess A Divine Comedy marks Cunningham s first explicit exploration of Christianity and the power of a divine feminine long forgotten obscured and suppressed by the Church She went on to write The Maeve Chronicles featuring her iconic outspoken Celtic Magdalen The Return of the Goddess takes the reader inside the world of Cunningham s origins where a gap in a wall leads from the church to the sacred grove Twenty six years after its first publication The Return of the Goddess A Divine Comedy remains a classic in what has become a movement both within established religions and beyond to reclaim the goddess and to embody her return Return of the Divine Sophia Tricia McCannon, 2015-03-06 An initiatic journey into the Mysteries of the Goddess and humanity s return to an age of peace and celestial light Details the ceremonies and rituals of initiation into the Fellowship of Isis Reveals the lost teachings of Jesus about the Divine Mother and Father and how the goddess Sophia is connected to Mary Magdalene as the Female Christ Explores the many archetypes of the Goddess including Isis Brigit and the Black Madonna and how we can transform into Homo luminous spiritual beings of light Called through her dreams by the Priestesses of Isis Tricia McCannon set out on a spiritual journey into the Mysteries of the Goddess After a fateful encounter with a high initiate of the ancient Fellowship of Isis she began researching the history of Judaism and Christianity to find out how and when the Divine Feminine became lost She discovered a forgotten age when the Creator was honored as female and humanity lived in peaceful societies completely free of war She shows how we can return to an age of peace and celestial light if we work to bring the masculine and feminine energies of the world back into balance Sharing her journey into the heart of the Divine Mother McCannon details her initiation into the Fellowship of Isis a process rich with ceremony ritual and myths of the Goddess from ancient Egyptian Celtic Greek Hebrew and Native American traditions She reveals how the many archetypes of the Goddess including Isis Ishtar Brigit and the Black Madonna can become our allies for self transformation She explores Mysteries at the heart of Christianity that have remained hidden for

nearly 2 000 years and how the Gnostic goddess Sophia is tied to the Second Coming Mary Magdalene and the Female Christ She reveals the lost teachings of Jesus about the Divine Mother and Father and about the Divine Daughter and Son Through her story and her in depth research McCannon takes us on a journey to awaken the creative power of the Divine Feminine within each of us Equipped with the teachings of the Goddess we gain the mastery to overcome the deeply rooted masculine feminine imbalance of the patriarchy and to embark into the future as Homo luminous beings of light

The Return of Astraea Frederick A. de Armas,2014-07-15 In classical mythology Astraea the goddess of justice chastity and truth was the last of the immortals to leave Earth with the decline of the ages Her return was to signal the dawn of a new Golden Age This myth not only survived the Christian Middle Ages but also became a commonplace in the Renaissance when courtly poets praised their patrons and princes by claiming that Astraea guided them The literary cult of Astraea persisted in the sixteenth century as writers saw in Elizabeth I of England the imperial Astraea who would lead mankind to peace through universal rule This and other late flowerings of the Astraea myth should not be taken as the final phases of her history Frederick A de Armas documents in this book what may well be the last great rebirth of Astraea one that is probably of greater political religious and literary significance than others previously described by historians and literary critics The Return of Astraea focuses on the seventeenth century Spanish playwright Pedro Calder n de la Barca and analyzes the deity s presence in thirteen of his plays including his masterpiece La Vida es Sueho Her popularity in this period is partially attributed to political motives reflecting the aspirations and fears of the Spanish monarch Philip IV In this broad study grounded on such diverse fields as astrology iconography history mythology and philosophy de Armas explains that Astraea adopts many guises in Calder n s dramas Ranging from the Kabbalah to Platonic thought and from satires on Olivares to cosmogonic myths he analyzes and reinterprets Calder n s theater from a wide range of perspectives centered on the playwright s utilization of the myth of Astraea The book thus represents a new view of Calder n s dramaturgy and also documents the popularity and significance of this astral imperial myth during the Spanish Golden Age
