

THE RETURN OF ISIS

Return To Isis

**Margaret Alice Murray, Joseph Grafton
Milne, Walter Ewing Crum**

Return To Isis:

Returning Islamist Foreign Fighters Elena Pokalova, 2019-10-24 This book examines the challenges foreign fighter returnees from Syria and Iraq pose to Western countries. A number of returnees have demonstrated that they are willing to use violence against their home countries and some have already staged terrorist attacks on Western soil on apparent orders from ISIS. Through the historical context of previous waves of mobilizations of Islamist foreign fighters, the author tracks the experiences of returnees from previous conflicts and discusses the major security challenges associated with them. The book analyzes the major approaches implemented by Western countries in response to foreign fighter returnees, discusses the prosecution of returnees, and evaluates the corresponding challenges of prison radicalization. *Returning Foreign Fighters: Responses, Legal Challenges and Ways Forward* Francesca Capone, Christophe Paulussen, Rebecca Mignot-Mahdavi, 2023-03-24 This book is a follow-up publication to the 2016 volume *Foreign Fighters under International Law and Beyond*, which zooms in on the responses that the international community and individual States are implementing in response to prospective and actual returning foreign fighters (FFs) and their families, focusing on returnees from Syria and Iraq to European countries. As States and international organisations are still learning by doing, the role of the academic community is to help steer the process by bridging the divide between international standards and their implementation at the national level and between security concerns and human rights law. Furthermore, the academic community can and should assist in identifying ways forward that are both effective, sustainable, and international law compliant. Those are ultimately the goals that the present volume seeks to pursue. The observations, recommendations, and warnings included in this book will be useful in future debates on returning FFs both in the academic world and in the world of policy makers and practitioners, as well as to the public at large. Francesca Capone is Associate Professor of International Law at the Istituto DIRPOLIS of the Scuola Superiore Sant'Anna in Pisa, Italy. Christophe Paulussen is Senior Researcher International Law at the T M C Asser Instituut in The Hague, The Netherlands. Rebecca Mignot Mahdavi is Lecturer in International Law at the Manchester International Law Centre, University of Manchester School of Law in Manchester, United Kingdom. **Mosul under ISIS** Mathilde Becker Aarseth, 2021-07-29 The Islamic State of Iraq and Syria (ISIS) ruled Mosul from 2014 to 2017 in accordance with its extremist interpretation of sharia. But beyond what is known about ISIS governance in the city from the group's own materials, very little is understood about the reality of its rule or reasons for its failure from those who actually lived under it. This book reveals what was going on inside ISIS institutions based on accounts from the civilians themselves. Focusing on ISIS governance of education, healthcare, and policing, the interviewees include teachers who were forced to teach the group's new curriculum, professors who organized secret classes in private homes, doctors who took direct orders from ISIS leaders and worked in their headquarters, bureaucratic staff who worked for ISIS. These accounts provide unique insight into the lived realities in the controlled territories and reveal how the terrorist group balanced their commitment to Islamist ideology with the

practical challenges of state building Moving beyond the simplistic dichotomy of civilians as either passive victims or ISIS supporters Mathilde Becker Aarseth highlights here those people who actively resisted or affected the way in which ISIS ruled The book invites readers to understand civilians complex relationship to the extremist group in the context of fragmented state power and a city torn apart by the occupation

Western Foreign Fighters Phil Gurski,2016-12-08 A number of recent terrorist attacks were committed by young men and women who had radicalized went to train with IS in the Middle East then returned to their home country to commit acts of violence In this text Phil Gurski examines why some people decide to abandon their homeland to join terrorist groups and whether they pose a significant threat to their societies if they survive and return The focus is on Canadians and other Westerners who see violent Jihad as divine obligation with the intention to challenge the view that foreign fighters are all brainwashed The book first looks at state motivation for resorting to conflict and the nature of war including Jihad It then discusses why Westerners volunteered to join the military in past wars to offer points of comparison before focusing on why some are now going to Iraq and Syria to fight along groups such as Islamic State This includes a thorough discussion of the increasing participation of women and the debates among extremists on whether they can engage in warfare Lastly the threat posed by radicalized fighters when they return home after either training or waging war abroad is examined in detail along with what is done to prevent and counter it Written in an accessible manner by a reputed expert on terrorism and radicalization the text will appeal to anyone seeking to understand why people join terrorist groups and the threats they represent to their homeland

Human Rights Law and Counter Terrorism Strategies Diane Webber,2022-06-17 In 2006 the United Nations urged Member States to ensure that counter terrorism policies guaranteed respect for human rights and the rule of law This book demonstrates that in many cases counter terrorism policies relating to preventive detention targeted killing and measures relating to returning foreign terrorist fighters have failed to respect human rights and this encourages vulnerable people to be drawn towards supporting or committing acts of terrorism Furthermore in recent years jurisprudence and public opinion in some countries have shifted from being at one stage more protective of human rights to an acquiescence that some particularly draconian counter terrorism methods are necessary and acceptable This book analyzes why this has happened with a focus on the United States United Kingdom and Israel and offers suggestions to address this issue The work will be essential reading for students academics and policy makers working in the areas of human rights humanitarian law and counter terrorism

Return To Isis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Return To Isis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Return To Isis has opened up a world of possibilities. Downloading Return To Isis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Return To Isis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Return To Isis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Return To Isis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Return To Isis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Return To Isis

has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Return To Isis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
