**The Book of Joel** Elie Assis,2013-04-11 Prophetic sayings are generally a reaction to immediate realities and therefore attempts to understand prophetic literature without the benefit of the prophet s historical milieu are limited or inaccurate Contrary to the prevailing opinion that Joel is post exilic the book is located within the exilic period recognising the lack of any rebuke consistent with a people experiencing deep despair The Book of Joel places great emphasis on the motif of the divine presence residing in the midst of Israel and it is asserted that the prophet s main purpose was to bring the people to renew their connection with the Lord after the destruction of the Temple which though physically ruined had not lost its religious significance A literary and rhetorical analysis demonstrates how the prophet sought to influence his audience Literary devices and rhetorical tools are investigated and their relevance and contribution to the book s meanings are explored One central feature of the book is its focus on a detailed discussion of the position and purpose of the locust plague employing recent literary approaches      The Word Appears in the Flesh Christ of the Last Days, Almighty God Christ of the last days who has appeared to do His work expresses all truths that purify and save mankind and all of them are included in The Word Appears in the Flesh This has fulfilled what is written in the Bible In the beginning was the Word and the Word was with God and the Word was God Jhn 1 1 As for The Word Appears in the Flesh this is the first time since the creation of the world that God has addressed all mankind These utterances form the first text expressed by God among mankind in which He exposes people guides them judges them and speaks heart to heart to them and so too are they the first utterances in which God lets people know His footsteps the place in which He lies God s disposition what God has and is God s thoughts and His concern for mankind It can be said that these are the first utterances that God has spoken to mankind from the third heaven since the creation and the first time that God has used His inherent identity to appear and express the voice of His heart to mankind amid words The Word Appears in the Flesh abbreviated as The Word expressed by Christ of the Last Days Almighty God currently consists of six volumes Volume 1 The Appearance and Work of God Volume 2 On Knowing God Volume 3 The Discourses of Christ of the Last Days Volume 4 Exposing Antichrists Volume 5 The Responsibilities of Leaders and Workers and Volume 6 On the Pursuit of the Truth Website <https://www.holyspiritspeaks.org> YouTube <https://www.youtube.com/godfootstepsen> Facebook <https://www.facebook.com/en.godfootsteps.org> Email [info@almightygod.church](mailto:info@almightygod.church)      **The Apocalypse Revealed** Emanuel Swedenborg,1881      **Help to Zion's Travellers** Robert Hall,1839      **The Resurrection in Retrospect** Peter Carnley,2020-01-01 In 2003 the British New Testament scholar N T Wright published The Resurrection of the Son of God arguing vigorously that the Resurrection of Christ should be handled purely as a historical event subjected

to historical reason and critical historical research This book critically examines Wright s arguments Peter Carnley demonstrates the flaws in the view that the Resurrection should be understood essentially as Jesus return from the dead to this world of space and time in a material and physical body Carnley argues that the Resurrection of Christ is a mystery of God which must necessarily be appropriated not by reason alone but by faith Evidence relating to a past occurrence can be known only retrospectively Yet Easter faith has to do with apprehending in the present a concretely experienced reality which Saint Paul called the Spirit of life in Christ Jesus Rom 8 2 An epistemology of the identification of the Spirit in faith as the living presence of Christ will be found in the companion volume to this book The Reconstruction of Resurrection Belief
