## **Revelation A Novel:**

**Revelation, the Novel** William C. Carson,2014-08-18 The book of Revelation is one of the most well known and least understood entries in the Bible For centuries its thick text and complex imagery has perplexed the common man as well as seasoned biblical scholars and through no fault of their own most people have failed to recognize let alone appreciate its underlying message Revelation the Novel carries the ancient words of Revelation into contemporary times and places apocalyptic events and considerations into our modern political and social frameworks In so doing it is sure to educate and enlighten Christian thinkers as well as entertain any and all who read it despite their religious affiliation At the bottom line beneath the fresh insight it brings Revelation the Novel is an enthralling and entirely thrilling piece of fiction that explores what s slated to happen at the end of the world as we know it as told from the viewpoints of the Apostle John and the Antichrist A fearsome yet hopeful tome it s a must read for fans of horror dystopian and disaster fiction **The Revelation** Jared B. Sharpe,2021-02-16 Behind the high rising walls of Southern Guard a fortified city built to protect its citizens from a catastrophic pandemic disease Darvin Flint is graduating from his youth military regimen Unable to escape the childhood trauma of his sister s infection and abduction Darvin is determined to uncover the thirteen year old mystery behind his sister s disappearance as he leaves his family for special ops training in the capital city of New Province After a routine operatives mission turns disastrous Darvin and his best friend Merrin discover just how little they knew about the world outside the sheltered walls of Southern Guard From the impoverished slums of The Black Valley to the secret biotech research institutions of the Revelation Territory Darvin must find the courage to unearth the supernatural secrets of the world he thought he knew as the mystery behind his sister s disappearance unravels into something much larger than he could have ever imagined This edition has been edited to remove a portion of profanity and adult language to make the book more suitable for younger readers **The Book of Revelation** G. R. Beasley-Murray,2010-07-01 Dr Beasley Murray has made a special study of the Revelation the notorious difficulties of which have challenged and fascinated him for many years An essential key to the understanding of its enigmatic character is the realization that it comes within the category of apocalyptic literature in which acknowledged symbols were used to disguise the real meaning According to the author that which to the uninitiated modern reader appears grotesque imagery spoke with power to John s fellow Christians Due weight is also given to the Christology of the book which the author sees as inseparable from its eschatology *Revelation* Greg Laurie,2021-09 *The Book of Revelation* ,2018 With artwork by Jennifer May Reiland A new translation of the biblical Book of Revelation **The Book of Revelation: a New Beginning** Terry L Newbegin,2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint Johns Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of Gods prophets and their stories were indisputable just because of their eminence in interpreted them as

being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint Johns Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance
