### **Who's Afraid of the Old Testament God? Alden L**

Thompson, 2011-10-27 The Old Testament God generally has a rather poor reputation even in Christian circles But as the author points out The Old Testament Scriptures can remain alive and will lead us to a fresh appreciation of all that God has done for us Targeted to thoughtful readers this book addresses a cluster of issues often troubling for the person who seeks to understand the Old Testament Who's Afraid of the Old Testament God speaks very frankly about some of these problems things like sin and the fall Satan moral blemish passages strange laws etc The chapter titles follow Don't let your New Testament get in the way of your Old Testament Behold it was very good and then it all turned sour Whatever happened to Satan in the Old Testament Strange people need strange laws Could you invite a Canaanite home to lunch The worst story in the Old Testament Judges 19-21 The best story in the Old Testament the Messiah What kind of prayers would you publish if you were God This new fifth edition leaves the text unchanged but has larger type and wider margins

**Learning and Living Scripture** Geoffrey D Lentz, 2010-02-26 Geoffrey Lentz and Henry Neufeld a pastor and a teacher team up in Learning and Living Scripture to present the Participatory Bible Study Method an approach to Bible study that is rooted in the conviction that God can and will speak to us in scripture They bring together their different experiences and perspectives to present this method of study in a practical usable way There are three key elements to this study 1 The integration of prayer and study 2 Serious questioning and research that is nonetheless within reach of the non scholar 3 Study in community with both witness and accountability through sharing In this guide you will learn to integrate prayer and scripture reading while also being faithful to the historical meaning of the text and its use throughout history by the community of faith This method is not just about study and learning facts it's about letting the God who gave scripture live in and through you as you learn and share

### **Stories of the Way** Henry E. Neufeld, 2011-12-01

Much of the text in the Bible is in the form of stories From Old Testament tales of the patriarchs to the parables of Jesus the reader is confronted with a variety of narratives Even in those places where Bible writers are making and explaining statements of fact there is a story in the background What do these stories mean Bible teacher writer and publisher Henry Neufeld thinks that's the wrong

question to ask Yes there are bad questions We spend a great deal of time trying to reduce Bible stories to a series of statements of fact sucking the life out of them in the process We don't understand one of the parables of Jesus better when we've come up with a moral for the story In fact we've lost some of the meaning Instead Henry suggests learning to think more in the form of stories In fact he even asks us to consider looking at the stories behind the various statements of fact in the Bible finding similarities in our own stories and even weaving new stories from our imaginations This he teaches is the best way to learn to make scripture come alive and to live it This collection of short stories is not presented primarily as stories to read but as a challenge to put your imagination to work as you study the Bible to write your own stories When you've let your imagination break the bounds of your life the Holy Spirit can then show you how to live new stories in your own life and in your relationships with family friends church and the entire world This book includes 25 short stories All but two of these stories were originally published on the Jevlir Caravansary fiction blog Two new stories The Magic Sword and The Juror's Oath were written just for this collection Scripture references and thought questions have been provided for each story to help small groups use them in discussions Come join the story

**Identifying Your Gifts and Service** Henry Neufeld, 2005-03 This book provides a process for discovering and activating spiritual gifts in your congregation It is not a typical scientific survey designed to discover what kind of personality you have what you feel like doing or even what your talents are Instead it is a process designed to help a church congregation discover God's gifts and leading in their lives In going through this process you will be invited to shake off some of the walls and limitations you have placed on yourself and open yourself up to the full call that God has on your life Discovering and using your Spiritual Gifts is an adventure

*Directed Paths* Myrtle Blabey Neufeld, 2005-01-28 *Directed Paths* is a book of prayer experiences that will challenge your faith and your Determination to serve God while giving you new strength and encouragement Each story reflects a Biblical principle or promise as retired missionary Myrtle Blabey Neufeld openly shares her prayers and God's answers We at Energion Publications offer this book to you in the hope that as God directs your paths you will hear and be open to His direction

**Not Ashamed of the Gospel** Henry E Neufeld, 2005-03-28 How can we be both rooted in scripture and also conscious of God's voice as God continues to speak to each one of us today

**From Inspiration to Understanding** Edward W. H. Vick, 2016-07-19 The way in which we read the Bible grows out of what we believe the Bible to be Thus it is impossible to discuss methods of interpretation without considering our view of inspiration the gathering of the canon and even the reception of the Bible by the community of faith And so Edward W H Vick starts this comprehensive discussion of hermeneutics the interpretation of Scripture by looking at what the Bible is and what empowers its authority He brings a lifetime of experience teaching and writing to the task In this examination he takes up such diverse topics as inspiration canonization authority infallibility inerrancy verbal inspiration sola scriptura tradition myth and many related topics Dr Vick always relates these elements to the overarching questions How shall we read Scripture How shall we understand it How

does it impact the way we live and act There are many books on how to read the Bible but there are few that will offer this comprehensive and systematic study If you apply the principles you find here to your own study you will find the scriptures opening up in new ways Dr Vick will help you move beyond the assumptions that often stand in the way of our personal Bible study and see the remarkable variety and power that is mediated through this book we call the Bible
