Revolution Of Hope:

Revolution of Hope Vicente Fox, 2007-10-04 The charismatic former president of Mexico offers a candid and provocative perspective on the state of world affairs As president of Mexico Vicente Fox brought true democracy to the country after seven decades of one party rule Elected as a political outsider with a message of honesty change and hope he is truly a hero of democracy and this vivid book interweaves his inspiring personal story with his hopeful new vision for the future of the Americas President Fox candidly reveals the ups and downs of his relationships with world leaders from George W Bush and Tony Blair to Fidel Castro Vladimir Putin and Hugo Chavez He also speaks out on hot global topics such as immigration the war in Iraq racism the United Nations free trade and the moral imperative to heal the global divide between rich and poor nations Outspoken impassioned sincere and engaging Vicente Fox embodies a quality that seems all too rare in world politics these days the moral character of a genuine leader

[The Revolution of Hope](#) Erich Fromm, 2023-02-28 The acclaimed social psychologist and New York Times bestselling author examines how to maintain hope and humanity in an increasingly technological society Life often contains events that do not have the outcomes we desire However many situations offer the possibility of a better outcome later We simply need hope But what is hope What happens if we choose it And what happens if we give it up In *The Revolution of Hope* Erich Fromm contemplates the definition of hope and what it means to be human When the book was first published in 1968 Fromm saw society heading towards complete mechanization devoted to maximal material output and consumption directed by computers With this book he poses to the reader the choice between becoming a helpless cog in the machine or embracing humanism and hope An uplifting exploration of the definition of hope what it truly means to be human and steps that should be taken to promote humanization in an increasingly disconnected and technology driven society Midwest Book Review

The Revolution of Hope Erich Fromm, 2022-06-17 What is society's effect on the individual This book is a compelling appeal to the humanization of an evermore technological society Social theorist Erich Fromm gives a classic description of the madness of modern culture so applicable to the 21st century He writes A specter is stalking in our midst whom only a few can see with clarity It is not the old ghosts of communism and fascism It is a new specter a completely mechanized society devoted to maximal material output and consumption directed by computers Humankind itself is being transformed into a part of the total machine well fed and entertained yet passive and unalive with little feeling
