**The Novel Life of PG Wodehouse** Roderick

Easdale, 2014-06-18 Was PG Wodehouse really a traitor a naive simpleton dominated by his wife and out of touch with the world around him This book challenges many of the accepted wisdoms about PG Wodehouse and his work and skilfully entwines details of Wodehouse s life with an analysis of his work to show that contrary to popular belief many of the scenarios characters and issues he wrote about came from his own sometimes bitter personal experience It shows for instance how Bertie Wooster is a much misunderstood figure in literature and shared many of the characteristics and life story of PG Wodehouse himself Easdale also gives fresh insight into PG Wodehouse s alleged treachery during World War II and his motives for making five radio broadcasts from Germany which were to cast a shadow over the rest of his life Easdale often finds an original angle with which to shatter stale accepted perception this book is compelling
