

Maths Investigations

A Collection of Open-ended Tasks

How long would it take to write every number to a million?

Why is my birthday on a different day each year?

How many nappies will a baby use before he or she is toilet-trained?

Can a person really jump from the top of one building to the next like they do on TV?

Is it true that the length of your feet is the same as the distance between your elbow and your wrist?

How much water do I use having a shower?
