Matthew's Bible John Rogers, 2009 The Matthew s Bible brings together the work of two giants of sixteenth century English Bible translation William Tyndale and Myles Coverdale shared a vision of making the scriptures available to ordinary believers concerned that their authority might be undermined in a time when kings and clerics alike opposed translating them into English William Tyndale s New Testament 1526 was the first English translation made from the original language and it made the most of the emerging English tongue Knowing neither Hebrew nor Greek Myles Coverdale consulted Latin English and German sources to guide his work The vocabulary of Tyndale John Wycliff and other appears in the Coverdale Bible 1535 which was the first complete Bible in English John Rogers combined Tyndale s and Coverdale s texts supplying some translation work of his own to create the Matthew s Bible In was attributed to a fictitious Thomas Matthew concealing the inclusion of Tyndale s text so King Henry VIII would license the volume s publication So popular became the Matthew s Bible that bishops were encouraged to order copies for their parishes This book is a facsimile of one of the finest existing copies of the Matthew s Bible It features clear legible type and faithfully reproduced color pages with a new introduction by Dr Joseph W Johnson Back cover

Matthew's Bible M. J. J. Menken, 2004 What type of Old Testament text did Matthew use as editor of his Gospel On the one hand the editorially inserted fulfilment quotations with their peculiar textual form may be expected to represent Matthew's biblical text On the other hand the remaining OT quotations are mainly Septuagintal and it is often assumed that Matthew reinforced the Septuagintal character of the quotations which he found in his sources In the first part of this study the fulfilment quotations are examined Their textual form is best explained as a Septuagint text that was revised to make it better agree with the Hebrew and to improve the quality of its Greek the evangelist took these quotations from a continuous text In the second part Matthew's remaining OT quotations are investigated If Matthew borrows quotations from his sources he does not adjust them to the LXX but he simply copies them

or edits them in his usual way if he inserts quotations into his sources he makes use of his revised Septuagint On the whole this revised Septuagint seems to have been Matthew's Bible **Matthew** Thomas G.
