# My Going Out

**Annelies Wilder-Smith**

## My Going Out:

"Karma" Hashim Conner,2006-06-30 Kar ma The sum of a person s actions during the successive phases of his or her existence regarded as determining his or her destiny in future incarnations Karma it s all around us affecting our everyday lives we re absorbed by it It s as real as the air we breathe and the love we share Just like the love we feel and the air we breathe it s going on without being seen No one is more affected by this than Christopher After years of sexual escapades breaking hearts and in the end ruining good women over and over again he thought that he had finally found the ONE There was something different about her she had a certain realness about herself she was special So special in fact that instead of her being head over heels for him like so many others before her it was the complete opposite It was she that had him wide open and in the end it would be him that would have to pick up the pieces of his broken heart and find a way to go on with his existence
