brutally honest account of her life and thoughts straight from the heart with emotional intensity If it wasn't for Maria documenting her internal suffering in her diaries her story I believe would not have been told Her domineering mother was a constant battle of the mind and spirit Maria endured mental and physical abuse from an arranged and forced marriage to a stranger Arriving in Australia from her village in Cyprus presented even more challenges especially when she found herself alone a deserted wife with three small children to raise Maria triumphs through the odds and proves to be a survivor Following on is *The Richmond House* written by Helena Kidd Maria's first born Helena brings a lighter tone with her snippets of family life growing up in her uncle's home *The Richmond House* is set in the 1960s and 1970s overlapping in part to *When the Past Awakens* *The Humility of Multiple Blessings* Dr. Dess Amanu, 2021-07-22 *The Humility of multiple blessings* highlights the extreme variations between the abundant amenities of life in the developed western world and the extreme abject poverty abound in the underdeveloped world leading to destitution While recognizing the missing hard work in some elements of the society at both ends the book focuses on the abundance of possibilities so long as one does not yield to failures as the conclusive dead end but instead takes a positive look at the failures in order to reap beneficial outcomes by not accepting crushing defeatism Countering the adversities the author brings to light the critical importance of extreme hard work to achieve a set goal laid out according to the will of God showered with blessings on a person In fact the author motivates energizes and exhorts all generations never to take failure as permanent defeat but instead keeping away from cutting corners to blame others rather than taking action to work harder every step of the way until success is achieved since it is doable It is undeniable that failure is an integral part of a journey to success and simply a precious price we are bound to pay in order to achieve that most desirable success **Masa** Lewis H.
