My Journey with a Mystic Fritz Peters,1986 The author recounts his boyhood friendship with Gurdjieff shares his impressions of the philosopher and attempts to depict his complex personality *My Journey Down the Reincarnation Highway* Frank Mares,2012-11-17 My Journey down the Reincarnation Highway is the first book of the author's four book spiritual memoir series In this personal account Frank Mares details how he discovered the fact of reincarnation and explores what he did in some of his prior lives More people than you would believe have prior life memories This book tells how the author acquired psychic ability in his middle age With this new gift he recovered facts about nine of his prior lives most of which involved violent bloody deaths The most recent life was that of a young German Wehrmacht sergeant who was ambushed and killed by Russians during the night of May 1 1944 in a dark Estonian farmhouse Not being satisfied with just discovering his past lives Mares goes on a spiritual mission to find out why he kept dying violently The answers do not come easily but by using a team of three world class psychics he eventually tracks down the shocking reason for all his brutal deaths The psychic team finds that within the soul of this normal small businessman resides a brutal stone cold killer from the 1600s who surprisingly was the revered founder of a gentile noble family As part of his souls continuing quest for redemption Mares hopes to salvage the dark time in his soul's past into something that could help others today His experiences show that death is only a transition phase and that it should not be feared His book also reveals that reincarnation is actually a well designed organized system that allows souls to learn personalized life lessons over a surprising number of lives If you read this book you will never look at life and death in the same way again *A Mystic's Way* , **A Rebel Chick Mystic's Guide** Lisa Marie Selow,2012-11-26 This is a book for brave nonconformist women or for those who aspire to be written from the heart and soul of a spiritual rocker chick Lifelong psychic Lisa Marie Selow leads you to uncover your true self reveal your life purpose and carve out your spiritual path She invites you to engage in positive rebellion by subverting your good girl persona letting go of limiting beliefs that you've inherited and creating your own definition of perfect Lisa encourages you to be a different type of rebel one that defies the stereotype of a misfit loner without a cause Instead you're called to make a difference rocking the world with your unique gifts and talents Through enjoyable engaging exercises you'll create your very own manual for living according to your own rules You can as a modern mystic drop out of the School of Hard Knocks for instance Lisa shares compelling stories from her own life as well as those of other women including mentors from history to illustrate how you can radically rewrite your life story Starting your journey from the premise that you already are perfect A Rebel Chick Mystic's Guide will help you excavate the real you and in the process you'll be guided to design action plans to move forward with the dreams and goals that make you the unique and amazing person you are *The Mystic's Way for Regular People* James C.
