My Kind Of Family:

My Kind of Family Michele Lash, Sally Ives Loughridge, David Fassler, 1990-01-01 Uses children's drawings and comments about their personal situations to invite readers to express, explore, and understand some of the issues and feelings associated with living in a single parent home

Include Everyone Shannon D. Rhodes, Tina L. Walker, 2014-12-04 Include Everyone My Kind of Family is a children's book that makes the young reader the main character in the story involving him or her fully in the action of the plot and making the key concepts taught by the book far more personal. The pages of Include Everyone My Kind of Family will take your child on a trip to the park along with a caregiver who can be customized to look like a parent, a babysitter, a grandparent, or any other caregiver. At the park, a group of children from diverse backgrounds is anxious to play, but there is a problem that needs to be solved. Not all of the children visiting the park have the same abilities, but everyone wants to be included in the fun. Your child will get the chance to explore how everyone can have fun together, regardless of whether they can walk, speak, or hear like everyone else. In the end, your child receives a powerful reminder of the power of kindness and learns the powerful concept that personal appearances and abilities don't have to stand in the way of having fun with each other. Include Everyone My Kind of Family concludes with a series of thought-provoking questions on the importance of accepting others and treating people with kindness. These messages are crucial for children of all ages and can help kids learn to speak out against bullying and exclusion in the classroom and beyond. To help you continue to reinforce the messages of the book, a list of related resources is provided in the front of the book. With 38 colorful pages and an easy-to-read yet entertaining story, Include Everyone My Kind of Family is ideal for children of all ages. The child, main character, and caregiver can be colored and customized to resemble your child and a loved one or trusted adult. Blanks are provided to add names and pronouns that will make the story uniquely about your child. The book can be presented to your child in a number of ways based on his or her age and reading level, as follows:

- For babies to age 2: Fill in the blanks and color the characters yourself to begin sharing the story with your infant or toddler and introduce the important concept of kindness at an early age. You can also leave the coloring for your little one to complete when he or she is old enough.
- For ages 3 to 5: Do the writing for your child based on his or her instructions. Complete the coloring as a team, discussing how to make the characters look like your child and the caregiver. One fun way to share the experience is for you to color the child character and for the child to make the caregiver look like you. After reading, talk through the discussion questions. Use short, concise answers that your child can easily understand.
- For ages 6 to 8: Allow your child to handle the writing and coloring independently. Then read the story together or have your child read it to you. Discuss the answers to the questions and use them as a springboard into talks about bullying prevention.

Never Doubt You're Loved Shannon Rhodes, 2014-06-25 Children can learn valuable lessons from books written just for them, and the more deeply that they can identify with the characters that the story introduces, the more impact its lesson can have. Never Doubt You're Loved My Kind of Family is a

book that goes beyond the basic children's story by making your family the stars allowing your child to deeply interact with the text while learning its important message In *Never Doubt You're Loved My Kind of Family* your child will be presented with a situation that he or she is likely familiar with being unable to fall asleep at night The child lies awake feeling lonely and unable to relax however recalling all of the special ways that they experienced love throughout the day leads them to realize that they are never alone They are always loved This powerful message resonates deeply with children of all ages and will give them the tools to self soothe and calm when they experience emotions that are similar to the child in the story *Never Doubt You're Loved My Kind of Family* is a unique children's book in that it arrives waiting for your child to customize it The names and pronouns are left blank and the pages are left uncolored With crayons and a pencil or pen your child can fill in the story to make it about himself or herself with or without your assistance Once the story is customized your child will be able to easily imagine himself or herself in the story making it deeply personal and educational With *Never Doubt You're Loved My Kind of Family* you can tailor the experience to the appropriate level for your child as follows For babies to age 2 You complete the story with the names and pronouns as desired Color it to share with your little one or wait until he or she is older and give him or her the freedom to add the color For ages 3 to 5 You write the names and pronouns on the pages allowing your child to dictate what is written Work together to color and customize the pictures You may want to have your child customize you while you customize your child or let him or her do all of the coloring while you provide guidance Share simple answers to the questions at the end of the book For ages 6 to 8 Give the book to your child and explain how to complete and customize it Let him or her take on all of the completion and customizing and then share it together After the initial reading review the questions at the back of the book to spark conversation and reinforce the lessons learned *Never Doubt You're Loved My Kind of Family* makes your child and the rest of your family the stars of the story and teaches a beautiful lesson while entertaining and encouraging family time
