**Journeyman in Jerusalem** Raphael Patai, 2000-01-01 Picking up from *Apprentice in Budapest* the first volume of Raphael Patai's autobiography *Journeyman in Jerusalem* presents the fascinating journey of a young scholar struggling to make his way in the midst of often trying circumstances while a nation in the making struggles to establish itself. The book covers fifteen years 1933 to 1947 during which the Yishuv the Jewish community of Palestine experienced one of the most turbulent periods of its history. This volume is an invaluable record of this era and of the early life of its author who was to become one of the most respected Jewish scholars of the twentieth century.

**The Women's House of Detention** Hugh Ryan, 2022-05-10 This singular history of a prison and the queer women and trans people held there is a window into the policing of queerness and radical politics in the twentieth century. *The Women's House of Detention* a landmark that ushered in the modern era of women's imprisonment is now largely forgotten. But when it stood in New York City's Greenwich Village from 1929 to 1974 it was a nexus for the tens of thousands of women transgender men and gender nonconforming people who inhabited its crowded cells. Some of these inmates Angela Davis Andrea Dworkin Afeni Shakur were famous but the vast majority were incarcerated for the crimes of being poor and improperly feminine. Today approximately 40 percent of the people in women's prisons identify as queer in earlier decades that percentage was almost certainly higher. Historian Hugh Ryan explores the roots of this crisis and reconstructs the little known lives of incarcerated New Yorkers making a uniquely queer case for prison abolition and demonstrating that by queering the Village the House of D helped define queerness for the rest of America. From the lesbian communities forged through the Women's House of Detention to the turbulent prison riots that presaged Stonewall this is the story of one building and much more the people it caged the neighborhood it changed and the resistance it inspired. Winner 2023 Stonewall Book Award Israel Fishman Non Fiction Book Award CrimeReads Best True Crime Books of the Year

**The World Split Open** Ruth Rosen, 2013-02-05 In this enthralling narrative the first of its kind historian and journalist Ruth Rosen chronicles the history of the American women's movement from its beginnings in the 1960s to the present. Interweaving the personal with the political she vividly evokes the events and people who participated in our era's most far reaching social revolution.

***American Feminism*** Ginette Castro, 1990-10 In this sweeping literary cultural and political history French sociologist Ginette Castro vividly and dramatically tells the story of the contemporary women's movement in the United States. From the liberal feminists like Betty Friedan Mary Daly and the members of NOW to the radical feminists including Kate Millett Ti Grace Atkinson *New York Radical Women* and Cell 16 Dr. Castro offers an enlivened yet balanced account of the many different ideological currents within the movement. Central to her contribution is the detailed reexamination of the role of the radical feminists and her efforts to neutralize the sensationalism which has become attached to this segment of the movement. Captured here is the diversity of expression and yet the underlying unity and potential for ideological synthesis in the American feminist movement. *American Feminism*

makes an invaluable contribution to understanding the course of feminism in the United States and its radical roots
