Davis,2009-10-07 Summary Life has a way of taking you through many unexpected twists and turns Know that God does not do these things to us He allows things to happen to not only get our attention but to prepare us to operate and function within His purpose He has for our lives Walk the journey of despair confusion and lifes altering circumstances within On My Way to Heaven Envision how God allows adversities and people to walk in and out of our lives to assist in our preparation As we learn life lessons we should embrace forgiveness and learn how to become better instead of bitter Once this is achieved a place of peace will be upon you And Jesus said to Paul But rise and stand on your feet for I have appeared to you for this purpose to make you a minister and a witness both of the things which you have seen and of the things which I will yet reveal to you Acts 26 16 As Jesus spoke to Paul on his Journey to Damascus he speaks to us today **Through My Eyes** Morinsilva,2011 Through My Eyes tells the true story of a young girl who grew up in a household full of abuse The experience taught her how to hide her feelings and personality Consequently Lisa went through life starved for love and filled with fears The fears led her to make decisions that were unwise and caused her to suffer even more This book is full of candid remembrances that detail Lisa s love anger rage and near homicide Through My Eyes Domestic Violence Through the Eyes of a Child provides vivid recollections of memories dealing with the abuse suffered in her family It further details how a female abuser was born The book gives profound advice to parents as well as to abused children It speaks from the heart of the signs to look for in children when they are becoming an abuser themselves or from a person who will become abused There is poetry written Through the Eyes of a Child that provides a wake up call for parents motivating them to take action toward creating a safe environment for their children This is not an easy book to read but a necessary one About the Author Morinsilva is a high school teacher in Las Cruces New Mexico I want to encourage youth to seek a better tomorrow I have been wounded by domestic violence in an insurmountable way parents need to know what they are doing to children when they do not seek help I want to rescue kids and teens and build a nation of survivors that will eradicate child abuse She has already written

born and raised in Colorado Springs Colorado I am a fine artist author a proud father of one beautiful baby girl and an all  
around entrepreneur But all of my pursuits came to an abrupt halt when I was consumed by a life of crime For so long I

became a part of a problem Growing up in and around the streets Ive caused much destruction in my lifetime Ive been a part of gang violence sold drugs and was involved in countless thefts and armed robberies Now my life s focus is to inspire teach uplift and mend I now use life s experiences to grow and learn I feel obligated to pass on all the insight and knowledge I ve obtained throughout the years to whoever I can By doing so people can learn from my mistakes and use me as an example because I ve seen darker truths that people need not witness themselves I ve walked rocky paths on which those can only stumble And if by sharing my views on paper and pouring my heart out through a pen can inspire or save just one life if by writing I can prevent someone from making some of the same mistakes I ve made I will have done my part I will have at least saved one soul from having to suffer the afflictions I ve faced And for that reason alone I write And for that reason alone I ll forever share my truths Colophon Q'Sapi Shirley Louis,2008 There are many individual voices male and female old and young scattered about me These voices expressed themselves in two languages Okanagan and English Okanagan was unwritten for the most part But more often than not as if by some magnetic pull of oral tradition the individual tribal voices unconsciously blended together with the English voice like braided strands of thread into one voice story song and prayer That thread stretched unbroken to the pre time and origin that still lived in the mystery and power of the Okanagan language their spoken word even translated into English as it had been for well over decades before I was born The echo of that tribal voice in Okanagan or English never disappears or fades from my ear not even in the longest silences of the people or in my absences from them Arnie Louie **High School Life** ,1923 **The Horn Book Guide to Children's and Young Adult Books** ,1991 California.
