A Man Worth Remembering Delores Fossen,2010-12-27 HIS SECRET CHILD AND HERS FBI agent Gabe Sanchez had his orders concerning witness Leigh O Brien keep her alive catch the bad guys take care of her The last was asking a lot given that Leigh had vanished from his life two years ago Now she was back and Gabe wanted answers Who was trying to kill her Why did she leave without a word Why did he still yearn for her body and soul Leigh couldn t remember her name let alone the sexy stranger who claimed to be her husband All she knew was that she had to get to Houston in time to save a child in grave danger But she and Gabe were in for the shock of their lives when they arrived at their destination because the child they sought was their son London Quarterly Review ,1884 **Declamation, Paternity, and Roman Identity** Erik Gunderson,2003-06-19 This book explores the much maligned and misunderstood genre of declamation Instead of a bastard rhetoric declamation should be seen as a venue within which the rhetoric of the legitimate self is constructed These fictions of the self are uncannily real and these stagey dramas are in fact rehearsals for the serious play of Roman identity Critics of declamation find themselves recapitulating the very logic of the genre they are refusing When declamation is read in the light of the contemporary theory of the subject a wholly different picture emerges this is a canny game played with and within the rhetoric of the self This book makes broad claims for what is often seen as a narrow topic An appendix includes a fresh translation and brief discussion of a sample of surviving examples of declamation **The Bible Christian magazine, a continuation of the Arminian magazine** Bible Christians,1882 *Men at Work* Cecile Jackson,2013-10-23 Gender analysis of development focuses on gender relations rather than women and men as separate gender categories but it has necessarily been women orientated in its concerns with subordination This work moves gender analysis towards a fuller understanding of men s diverse gendered identities and how these are implicated in their everyday working lives in developing country contexts The questions addressed in the papers range from conceptual and methodological issues of definitions and measurement of men s work to case studies of working men in specific settings but all are concerned with the recognition of gendered vulnerabilities of some men as men as well as with a re thinking of gender relations in the light of consideration of the subjectivities of specific groups of men **The Antiquary** ,1881 **Brief History of Ancient Peoples** Joel Dorman Steele,Esther Baker Steele,1881 Great Men at Play Thomas Firminger Thiselton-Dyer,1889 *The Golden Shaft* Charles Gibbon,1883 **The Bookman** ,1900 **Parliamentary Papers** Great Britain.
