Matter Of Interpretation:

A Matter of Interpretation Antonin Scalia, 2018-01-30 We are all familiar with the image of the immensely clever judge who discerns the best rule of common law for the case at hand According to U S Supreme Court Justice Antonin Scalia a judge like this can maneuver through earlier cases to achieve the desired aim distinguishing one prior case on his left straight arming another one on his right high stepping away from another precedent about to tackle him from the rear until bravo he reaches the goal good law But is this common law mindset which is appropriate in its place suitable also in statutory and constitutional interpretation In a witty and trenchant essay Justice Scalia answers this question with a resounding negative In exploring the neglected art of statutory interpretation Scalia urges that judges resist the temptation to use legislative intention and legislative history In his view it is incompatible with democratic government to allow the meaning of a statute to be determined by what the judges think the lawgivers meant rather than by what the legislature actually promulgated Eschewing the judicial lawmaking that is the essence of common law judges should interpret statutes and regulations by focusing on the text itself Scalia then extends this principle to constitutional law He proposes that we abandon the notion of an everchanging Constitution and pay attention to the Constitution s original meaning Although not subscribing to the strict constructionism that would prevent applying the Constitution to modern circumstances Scalia emphatically rejects the idea that judges can properly smuggle in new rights or deny old rights by using the Due Process Clause for instance In fact such judicial discretion might lead to the destruction of the Bill of Rights if a majority of the judges ever wished to reach that most undesirable of goals This essay is followed by four commentaries by Professors Gordon Wood Laurence Tribe Mary Ann Glendon and Ronald Dworkin who engage Justice Scalia s ideas about judicial interpretation from varying standpoints In the spirit of debate Justice Scalia responds to these critics Featuring a new foreword that discusses Scalia s impact jurisprudence and legacy this witty and trenchant exchange illuminates the brilliance of one of the most influential legal minds of our time

A Matter of Interpretation Elizabeth Mac Donald, 2021-06 It s 13th century Europe and a young monk Michael Scot has been asked by the Holy Roman Emperor to translate the works of Aristotle and recover his lost knowledge The Scot sets to his task traveling from the Emperor s Italian court to the translation schools of Toledo and from there to the Moorish library of Cordoba But when the Pope deems the translations heretical the Scot refuses to desist So begins a battle for power between Church and State one that has shaped how we view the world today

Matter of Interpretation Ronald Et Al Dworkin, 1997-01-01

A Matter of Interpretation, 2022-04-06 *Awards ... 1919-1938* Great Britain. Industrial Court, 1920

Decisions Great Britain. Industrial Court, 1920 *Scale Transitions As Foundations Of Physics* Ioan Merches, Maricel Agop, Nicolae Mazilu, 2021-02-04 The scale transitions are essential to physical knowledge The book describes the history of essential moments of physics viewed as necessary consequences of the unavoidable process of scale transition and provides the mathematical techniques for the construction of a theoretical physics founded on scale

transition The indispensable mathematical technique is analyticity helping in the construction of space coordinate systems The indispensable theoretical technique from physical point of view is the affine theory of surfaces The connection between the two techniques is provided by a duality in defining the physical properties *Records of the Proceedings and Printed Papers of the Parliament* Australia.
